this text builds a solid foundation in organizational behavior concepts needed to understand individual and group behavior in organizations the focus is on developing effective leadership behavior beginning with discovery of your own preferences in terms of your behavioral choices your preferred behavior in groups and your behavioral preference for certain organizational structures a blend of current theory practical applications self assessment exercises and case studies help explain and apply concepts in an experiential manner book jacket

organizational behavior eighth edition continues in its tradition of being an up to date relevant and user driven textbook kreitner and kinicki s approach to organizational behavior is based on the authors belief that reading a comprehensive textbook is hard work but that the process should be interesting and sometimes fun thus they consistently attempt to find a way to make complex ideas understandable through clear and concise explanations contemporary examples a visually appealing photo art program and or learning exercises with every edition the authors make every effort to respond to user feedback and ensure the text covers the very latest ob research and practices the cover again depicts the well known wolf brand but this time with a black and white illustration of two wolves this remains a central theme because kreitner and kinicki see wolves as an instructive and inspiring

metaphor for modern organizational behavior wolves are dedicated team players great communicators and adaptable these are key success attributes in today s workplace

the very word statistics can induce panic or cynicism and

the 1 canadian and only 100 canadian authored organizational behaviour text has been thoroughly updated and finely tuned to reflect the continuous changes canadian organizations face in today s business world there s a revolution going on in the workplace knowledge is replacing infrastructure self leadership is replacing direct supervision networks are replacing hierarchies virtual teams are replacing committees companies are looking for employees with emotional intelligence not just technical smarts globalization has become the mantra of corporate survival co workers aren t just down the hall they re at the other end of an internet connection canadian organizational behaviour cob is written with this revolution in mind

this text has a traditional organization with a focus on today s students to compete and to manage domestic and international diversity in an increasingly multinational business arena

in 1952 the free press published the reader in bureaucracy this important book directed interest to the problems of organizations for over two decades and remains a major contribution to this day since the present volume is by the same publisher some comparisons of the non invidious kind are in order first unlike its predecessor we sought deliberately to present a uniquely sociological orientation second we decided against dividing up the work of major theorists by selected substantive areas in favor of reprinting large unified sections of their work in one place third a broadly based selection of research techniques is provided in the early part of the book so as to emphasize the obviously close relationship between methods and theory from the preface

in organizational behavior solutions for management paul sweeney and dean mcfarlin have identified 4 key management skills areas that act as building blocks for successful behavior in management these skills are self insight perceptual skills ability to inspire motivate lead ability to analyze situations and personal flexibility adaptability the authors also feel strongly that successful management of organizational behavior rests on the problem solving process in fact the 4 skills listed above enable managers to use this process to deal with the people problems they face more effectively if nothing else studying what organizational behavior has to offer as a field should help a person figure out his her strengths and weaknesses
