our summary is short simple and pragmatic it allows you to have the essential ideas of a big book in less than 30 minutes as you read this summary you will discover how the toms shoe brand has reinvented the notion of business through giving you will also discover the story of a resourceful young entrepreneur blake mycoskie that it is possible to start a business without a business school education that everyone can make a difference in the world how to deal with the fears associated with starting a business the keys to starting an entrepreneurial project with start something that matters the creator of the toms brand wants to pass on his entrepreneurial knowledge and inspire his readers by telling the story of the brand he hopes that readers will in turn take up the cause that makes sense to help them he begins by identifying six principles that have helped toms grow find a good story to tell confront your fears be resourceful even without money keep it simple build trust and give it s up to them to apply them at their level buy now the summary of this book for the modest price of a cup of coffee

in 2006 the toms shoe company radically disrupted the for profit business model literally for good in challenging what a money making company could do with its earnings toms incorporated a giving component within its business model making giving intrinsic to each sale for every pair of shoes sold another pair would be given away to a child in need giving thus became good business at both levels in making money and in helping kids the toms effect is a book that explains and explores this phenomenon through toms company history as well as through major corporations like walgreens walmart nestle stella artois and michael kors as in addition to

younger smaller companies and start ups like warby parker brandless and not impossible labs toms founder blake mycoskie was the epitome of counter culture ceo his goal to start something that matters has been proven in terms of business sense he is worth 300 million and has been sustained through product line evolution and creative marketing where the shoes become a movement and the customer becomes a partner the toms effect has influenced the behavior of consumers as well as young entrepreneurs and established corporations in november 2018 blake took to late night shows to publicize toms newest giving ventures end gun violence together egvt and pick your style pick your stand these campaigns have been riskier than toms previous social justice health and community efforts will this latest iteration of the toms model be sustainable both in terms of monetization of egvt products and in effectively causing change
