like other fields of study teacher education defines itself both by what it includes

and by what it excludes teacher educators and researchers have spent a great deal of time seeking and attempting to eradicate the flaws in existing structures and practices but significantly less time learning to perceive the absences the premise of this book is that until we can identify and begin to address what is absent teacher education will be constrained by a perennial recycling of concerns that have characterized so much of research policy and practice to date if teacher education is to have a different future we need to ask different and difficult questions this book with contributions from theorists in australia canada and the united states addresses the challenges we face in establishing a more hopeful future for teacher education the authors provocative contributions identify what is missing in teacher education while providing critical counterpoints to existing frames of reference in the field in writing against the grain they open up new conceptual spaces and exciting trajectories for a different teacher education

this book explores the contested notion of compassionate migration in its discourse and practice in the context of today s migration patterns within the americas compassionate migration can play a fundamental role in responding to the hardships that many migrants suffer before during and after their journeys this volume explores the boundaries of compassion from legal political philosophical and interdisciplinary perspectives and supplies examples where state and non state actors engage in practices of compassion and humanity through formal and informal regimes despite the lack of a concise and precise definition of the concept and practice of compassionate migration all authors in this volume agree on the pressing need for more humane and compassionate treatment for those leaving their home country behind in search of a better life
