churchill's rebels is a heart breaking story of two people madly in love and in open rebellion against their upbringing and a way of life. Esmond Romilly was the nephew of Winston Churchill, a rebel against his family and a public school who left England to fight for the rebels in the Spanish Civil War. Jessica Mitford was one of the notorious Mitford girls, always known as Decca, and grew up in a life of Downton Abbey aristocratic privilege. In 1937, when Esmond was 18 and Jessica 19, they met and fell madly in love and scandalously ran away together to the Communist front in Spain. After three months of family opposition, they were finally married. With war ever approaching, Esmond, trained to fly and was killed in active service with Bomber Command. They had only had four brief, tempestuous and loving years together.
