a collection of more than forty selections portraying life in the united states includes exercises to develop reading skills

the question what is america has taken on new urgency weak nationalisms explores the emotional dynamics behind that question by examining how a range of authors have attempted to answer it through nonfiction since the second world war revealing the complex and dynamic ways in which affects shape the literary construction of everyday experience in the united states douglas dowland studies these attempts to define the nation in an eclectic selection of texts from writers such as simone de beauvoir john steinbeck charles kuralt jane smiley and sarah vowell each of these texts makes use of synecdoche and weak nationalisms shows how this rhetorical technique is variously driven by affects including curiosity discontent hopefulness and incredulity in exploring the function of synecdoche in the creative construction of the united states dowland draws attention to the evocative politics and literary richness of nationalism and connects critical literary practices to broader discussions involving affect theory and cultural representation

in the late 1930s john steinbeck richard wright and ernest hemingway wrote novels that won critical acclaim and popular success the grapes of wrath native son and for whom the bell tolls all three writers were involved with the left at the time and that commitment informed their fiction milton cohen examines their motives for involvement with the left their novels political themes and why they separated from the left after the novels were published these writers were deeply conflicted about their political commitments and cohen explores the tensions that arose between politics and art resulting in the abandonment of a political attachment

although best known for his fiction john steinbeck also enjoyed a long career as a non fiction writer the author of this study of his non fiction works asserts that they contain much autobiographical material from which it is possible to construct a full account of his life in this text the author uses steinbeck s non fiction writings as a basis for judging his relationship to the non fiction novels and works of a new journalism which began to appear after world war ii

americans love road trips they love to go on road trips they love to read about road trips they love to watch road trip stories unfold on television and film road trip stories are a consistent feature of the american landscape a central part of american mythology and an important piece of the american dream in the american road trip and american political thought susan mcwilliams argues that the american fascination with road trip stories is about more than mere escapism or wanderlust she shows in walking through stories like on the road and the grapes of wrath that american road trip stories are a key expression of american political thought they are not just stories of personal journeys they are stories of the american nation mcwilliams barndt shows how americans have long used road trip stories to raise and explore central questions about american politics in theory and practice they talk about freedom and equality and diversity and take those vaunted american ideals for a test drive american road trip stories are where the rubber meets the road in american political thought the american road trip and american political thought includes explorations of a wide variety of american authors from walt whitman and henry david thoreau to erika lopez and cheryl strayed from mark twain and john steinbeck to solomon northrup and hunter s thompson it covers topics including gender labor place race and technology in american political life this is

a book that will change the way you think about the great american road trip and the great american story

traditionally the critical reputation of nobel prize winning american novelist john steinbeck 1902 1968 has rested on his achievements of the 1930s especially in dubious battle 1936 of mice and men 1937 the long valley 1938 and of course the grapes of wrath 1939 one of the most powerful and arguable one of the greatest american novels of this century book reviewers and academic critics often turned antagonistic toward steinbeck when he no longer produced work with the sweeping reach and social consciousness of the grapes of wrath he was accused of selling out or co-opting his talent when in fact the inordinate public success of grapes and especially its attendant notoriety had caused a backlash for steinbeck as a result he became self-conscious about his own ability and suspicious of that clumsy vehicle the novel the very act of researching and writing grapes which occupied him fully for several years and which he had already conceived as his final book on proletarian themes changed him drastically no longer willing to be the chronicler of depression era subjects steinbeck went afield to find new roots new sources new forms for example in the six years following the publication of grapes steinbeck completed a suit of love poems a full length novel bastardized by alfred hitchcock in his 1943 film lifeboat a nonfiction scientific book sea of cortez a leisurely journal of travel and research with edward f ricketts a documentary film the forgotten village a documentary book to help the war effort bombs away the story of a bomber team a series of articles he wrote as a war correspondent for the new york herald tribune later collected as once there was a war and two novels the moon is down and cannery row steinbeck came to define himself less as a novelist and more as a man of letters a restless experimenter with form and subject matter and a prophetic postmodernist whose key subject for the rest of his career was the dilemma of individual choice and ethical consciousness thus steinbeck's later fiction from the moon is down 1942 through the winter of our discontent 1962 and his later nonfiction from sea of cortez 1941 through travels with charley 1962 and america and americans 1966 often shows a different set of stylistic thematic and philosophical bearings from his earlier work and underscores his dramatic shift toward individual thinking a full appreciation of steinbeck's mid-career metamorphosis and consequently of his later achievement requires a corresponding shift in critical approach a departure from the traditional new critical norms instead of marginalizing these works all the contributors to this volume agree that steinbeck's later publications merit indeed demand closer scrutiny written especially for this collection in honor of professor tetsumaro hayashi the distinguished founder and editor in chief of the steinbeck quarterly on his retirement from ball state university and his move to kwassui women's college in nagasaki japan these essays explore new ways of addressing steinbeck's later work and career and include forays into subjects as diverse as ethnicity and music they range from treatment of his post-structuralist use of language in sea of cortez and his involvement as a speech writer for franklin delano roosevelt's reelection bid in 1944 to the influence of charles darwin's theories of sexual selection in the wayward bus his revision of the myth of cain in the winter of our discontent and his employment of arthurian quest values in his last book america and americans for this group of critics which includes respected veteran steinbeck scholars robert demott john ditsky mimi gladstein cliff lewis robert morsberger susan shillinglaw and roy simmonds as well as talented new voices debra barker kevin hearle michael meyer brian railsback eiko shiraga and geraldyn strecker the moon is down and the wayward bus loom as significant works in the post-1930s re-evaluation two essays each appear on these works the book also includes donald coers's interview with the writer's widow elaine steinbeck the first of its kind ever published after the grapes of wrath opens with eminent americanist warren french's appreciation

of professor hayashi s distinguished career and his influence in steinbeck studies a bibliography of hayashi s major publication concludes this honorary gathering

discusses his fictional modes with their claims upon naturalistic and symbolic techniques

steinbeck s writing was fuelled by a need to observe things firsthand whether as a journalist or novelist the huge success of the grapes of wrath enabled him to travel the world ceaselessly writing about the great events of each decade this collection brings together the greatest of those dispatches from countries as diverse as vietnam britain morocco and italy in addition it reproduces america and the americans a gripping account of the us in the 1960s based on steinbeck s observations on racism moral decline the environment the extremely enjoyable book makes an important point about steinbeck s oeuvre showing just how important journalism was to his career as a writer
