matthew gorkos begins the storied church with this compelling statement i believe in the church in the power of faithful people serving a good and gracious god and i believe in the power of a good story moreover i believe as this book will argue that church and story harnessed together could be an even more powerful force for goodness in our world neuroscientists anthropologists archeologists and psychologists all agree story is how our brains and our communities make sense of things storytelling helps us cope with change and loss storytelling helps us transmit lessons and life skills to the next

generation as human beings it seems we can't do without story this book indeed this whole idea of story centered church renewal was born of a suspicion that the restorative transformative life giving function that stories have for us as individuals may serve communities of faithful people as well if stories help us survive as human creatures why can't they help churches survive the problem that story centered renewal seeks to remedy has only become more prevalent and urgent in the age of covid 19 our churches need hope now more than ever writing from a pastor's perspective gorkos hopes to encourage and empower other pastors and lay leaders with both the hope and the tools they need to effect revitalizing change in their faith communities each chapter includes questions for reflection to help readers listen to and tell the stories that will lead to renewal and transformation

this comprehensive study of the psychology of language explores how we speak read remember learn and understand language the author examines each of these aspects in detail

storytelling is humanity's oldest way of connecting to others but for businesses and managers it can also be a powerful tool to help organizations grow and thrive a leader's role is to create engagement and belief so that people will act and there's no more powerful way to grab attention be remembered and engage action than by telling stories about who you are what you do and why you do it today storytelling is a hot topic in organizations but most leaders still struggle to act upon it how do we find and tell our stories quickly in an environment of urgency where we can hardly pause to catch our breath for more than a decade hutchens has tested his method of rapid and strategic story development with innovation teams in silicon valley across global fortune 100 leadership teams and more hutchens has honed a unique process that is active potent and strategically focused and also a lot of fun in story dash hutchens shares a repeatable process to find develop and deploy your narrative assets that is your urgent core stories that hold value even better he will help you do it fast often in less than a day story dash will help you to access your natural capacity for storytelling find your stories and figure out which ones to tell build your narrative so it lands with unforgettable impact find your own voice of authentic leadership bring more of who you are to your teams and your markets fully illustrated and written in a clear sharp voice story dash shares the fastest way to find lots of stories that will create action around the work you care about most

the book is organized around five distinct themes that include studies on graves's own literary criticism offer new insights into his poetry produce commentary on his often overlooked fictional output make some reflections on the origins and importance of his white goddess and examine some literary crosscurrents that have pollinated graves's work book jacket

through six accessible essays the author invites students of the law to look beyond accepted american legal practices one learns why appellate courts always have an odd number of judges why the power of judges depends partly on accurate court reporting and unitary opinions of the court how common law rules can be unconstitutional and many other pressing legal issues

designed to promote literacy in young children and to empower parents educators and librarians this guide is filled with simple strategies creative activities and detailed instructions that help make reading fun encouraging a love of reading in young children can be a source of both great frustration and immense joy this handy resource provides essential tips techniques and strategies for making early literacy development fun and inspiring a lifelong love of reading read rhyme and romp early literacy skills and activities for librarians teachers and parents explores the six basic pre literacy skills that experts agree are necessary for a young child to be ready to learn to read special sections within each chapter are dedicated to the specific needs of preschool teachers parents and librarians making the content relevant to different settings recommended book lists personal anecdotes and literacy rich activities combine to create an effective and accessible plan for implementing an early literacy program

underwear has never been so much fun to wear it s story time at hickleberry elementary with stinky the stuffed skunk you ve probably heard of the boy who cried wolf but do you know what happened after no one believed him well according to stinky the boy moves away to the big city where he gets a job crying wolf for the william d wolfe company makers of all sorts of fine and fancy stuff but when the boy gets bored again he decides to use his talents to cry underpants instead when the queen hears his cries she takes great offense how dare he and suddenly the big city is sent into total chaos will the boy be able to save the day before it all gets too smelly this first stinky story is the first ever chapter book series from beloved new york times bestselling authors chris and j j grabenstein filled with page after page of hilarious illustrations by acclaimed artist alex patrick stinky s stories is the perfect series for young reluctant and emergent readers or any kid who just loves to laugh
