organisation and everyday life with dyslexia and other splds is the second book  
in the series living confidently with specific learning difficulties splds this book is  
about the wide impacts of dyslexia spld on everyday life all dyslexic spld people  
live with the possibility that their mind will function in a dyslexic spld way at any

moment regardless of strategies that they have acquired or developed even people with many strategies can suddenly find themselves struggling with their dyslexia spld again this book is adressed to dyslexic spld readers organisation is promoted as a tool to minimise the effets of dyselxia spld the book covers situations that might disrupt organisation a systematic approach to organisation everyday life study peripherals and employment it has many life stories to help readers recognise the impacts of their own dyslexia spld dyslexic splds have the potential to offer skills and alternative approaches to tasks often the solutions that they devise for themselves are very useful to the non dyslexic spld people around them which can enhance their self confidence when organisation suits the individual with spld innate intelligence and potential can be realised

henri lefebvre boredom and everyday life culls together the scattered fragments of henri lefebvre s 1901 1991 unrealized sociology of boredom in assembling these fragments sprinkled through lefebvre s vast oeuvre patrick gamsby constructs the core elements of lefebvre s latent theory of boredom themes of time modernity everyday space urban suburban and mass culture culture industry industry culture are explored throughout the book unveiling a concealed dialectical movement at work with the experience of boredom in analyzing the dialectic of boredom gamsby argues that lefebvre s project of a critique of everyday life is key for making sense of the linkages between boredom and everyday life in the modern world

fusing audience research and ethnography the book presents a compelling account of women s changing lives and identities in relation to the impact of the most popular media culture in everyday life television within the historically specific social conditions of korean modernity youna kim analyzes how korean women of varying age and class group cope with the new environment of changing economical structure and social relations the book argues that television is an important resource for women stimulating them to research their own lives and identities youna kim reveals korean women as creative energetic and critical audiences in their responses to evolving modernity and the impact of the west based on original empirical research the book explores the hopes aspirations frustrations and dilemmas of korean women as they try to cope with life beyond traditional grounds going beyond the traditional anglo american view of media and culture this text will appeal to students and scholars of both korean area studies and media and communications studies

the ebook edition of this title is open access and freely available to read online

filling a gap between classic discussions on everyday media use and recent studies of emergent technologies this book untangles how media become meaningful to us in the everyday connecting us to communities and publics

this volume explores the significance of literacy for everyday life in the ancient world it focuses on the use of writing and written materials the circumstances of their use and different types of users the broad geographic and chronologic frame of reference includes many kinds of written materials from pharaonic egypt and ancient china through the early middle ages yet a focus is placed on the roman empire

essential writings from classical and contemporary sociological theorists engagingly introduced and brought to life for students this concise reader in sociological theory contains excerpts from the writings of a wide range of key theorists who represent the dynamic breadth of classical and contemporary macro and micro sociological theory the selected writings elaborate on the core concepts and arguments of sociological theory and along with the commentary explore topics that resonate today such as crisis and change institutions and networks power and inequality race gender difference and much more the text contains editorial introductions to each section that clearly explain the intellectual context of the theorists and their arguments and reinforce their relevance to sociological analysis and society today the excerpts include writings from the classicists karl marx max weber emile durkheim w e b du bois to the contemporary patricia hill collins dorothy smith raewyn connell this indispensable book offers a concise review of the diverse field of sociological theory includes contributions from a wide range of noted classical and contemporary theorists incorporates engaging empirical examples from contemporary society demonstrates the relevance and significance of the ideas presented in the theorists writings designed for undergraduate and graduate students in sociology and in social and political theory concise reader in sociological theory is an engaging and accessible guide to the most relevant sociological theorists

this book opens up a critical dialogue within and across the theoretical traditions of critical psychology and cultural historical psychology it explores and addresses fundamental issues and problems within both traditions with a view to identifying new avenues for productive discussion and cooperation between these two important movements in contemporary psychology accordingly the book gathers contributions from a range of internationally respected researchers

from both fields who have demonstrated a willingness to look critically and self critically at their theoretical allegiances and trajectories this book provides readers with the opportunity to both appreciate and reflect on fundamental differences of perspective across the cultural historical critical psychology divide and thereby to consider and debate key issues facing the discipline of psychology more generally

collection of essays primarily by historians of the basque country france spain and germany on the themes of war exile justice and everyday life 1936 1946

the phenomenology of everyday life presents results deriving from a rigorous qualitative approach to the psychological study of everyday human activities and experiences this approach is grounded in the philosophical traditions of existentialism and phenomenology and employs dialogue as its major method of inquiry the reasons for these choices are not arbitrary all derive from the view that a proper study of human events must be framed in terms of a philosophy explicitly developed to encompass human activities in addition such events can properly be investigated only on the basis of a method sensitive enough to articulate the nuances of human experience and reflection the purpose of the present work is not to replace scientific observation with humanistic analysis but to provide an additional perspective on significant human questions the phenomenology of everyday life should be of interest to anyone concerned with obtaining a clear and comprehensive description of someone else s experience this includes students and professionals concerned with clinical or social psychology sociology anthropology social work philosophy nursing and education also included are individuals involved in research and practice in business marketing architecture and law
