fundamental principles as well as the insights of a distinguished writer and teacher with more than a million copies sold this volume has stood the test of time and remains a valuable resource for writers and would-be writers

on writing well which grew out of a course that William Zinsser taught at Yale has been praised for its sound advice, its clarity, and for the warmth of its style. It is a book for anybody who wants to learn how to write or who needs to do some writing to get through the day as almost everybody does whether you want to write about people or places, science and technology, business, sports, the arts, or about yourself in the increasingly popular memoir genre. On writing well offers you both fundamental principles as well as the insights of a distinguished practitioner. How to write a memoir tells you how to write the story of your life. Everyone has a story whether you're a professional writer or just want to validate your personal and family reminiscences. William Zinsser explains how to do it and do it well.

Most people that know English can read and speak the language with ease but almost everyone has trouble when it comes to writing but whether you're a businessman, politician, or high school student, it is important to know how to write well so that you can express yourself, communicate clearly, and make sure people read what you've written. On writing well is your guide to becoming a great non-fiction writer that explains why you must learn and practice principles like simplicity, consistency, voice, editing, and enthusiasm if you want to persuade readers and make a difference in their lives. This is a book for everyone who wants to learn how to write or who needs to write some articles to get through the day as most people do in the age of email and the internet. Whether you want to write about people or places, science and technology, business, sports, art, or about yourself, let's get right to these lessons and learn how to become better writers.

You're no idiot of course you know how to tap out an email to your boss, scrawl a note to your sweetheart, even throw in an extra flourish when you sign a greeting card but when it comes to really writing that excruciating process of transferring your thoughts to paper without inventing some strange new language well let's just say you think you lack the writing stuff the written word was a great achievement in human history don't give up on it just yet the complete idiot's guide to writing well is the writing book you've been waiting for everything you need to know to make writing of any kind as easy as thinking or speaking in this complete idiot's guide you'll get expert advice on making your writing as clear, persuasive, and painless as possible whether it's a thank you note, a school paper, or an executive briefing easy to follow guidelines on structure, spelling, punctuation, vocabulary, and style no nonsense advice on figuring out the three hardest parts of any writing the beginning, middle, and end.

the writer's guide to writing well is an easy reference guide for non fiction and fiction writer's alike a quick guide and great resource for clearing up all those troublesome details interfering with your work the writer's guide to writing well conveys essential rules for great writing and enables you to formulate your best work with the correct word usage and sentence construction the fewer mistakes you make the greater understanding you're readers will have of your work and the more they'll want to read it organised into three sections the bricks the foundation the craft brings together the tools you need to create amazing content both accessible and inspiring and above all practical for every type of writer the writer's guide to writing well is essential reading grab your copy today

gina harkness is stunned when an elderly woman she befriended leaves her an inheritance of millions suddenly the former accountant is living in a park avenue apartment and interviewing potential chauffeurs sexy charismatic justin whitehead is definitely qualified but hiring a man whose gaze sets her whole body on fire could be a huge mistake reporter j l whitehead will do anything for a story even pose as a chauffeur for six months to write about the suddenly rich his relationship with his beautiful new boss quickly turns from business to mind blowing pleasure but will gina ever believe that though his identity was a lie their untamed passion is real

the professional writing guide is for people who wish to improve the quality of their documents and the efficiency of their writing busy executives and other writers in organisations who may spend between 30 and 80 per cent of their working time writing will find it invaluable because it clearly outlines the principles that underlie effective documents this book will enable executives to write confidently competently and persuasively high quality output is crucial to a company's image and to a professional's own career advancement errors in a document can prove expensive the professional writing guide is an indispensable and accessible reference tool as well as a comprehensive style manual for writers who wish to avoid those expensive mistakes and make a positive impression written by two long term professional writing educators with extensive experience of consulting to australian business and industry this lively and highly practical book features workable reliable and powerful strategies that can be used to systematically eliminate the writing problems of organisational writers
