the 1 new york times and global bestseller from walter isaacson the acclaimed author of steve jobs einstein his life and world benjamin franklin and leonardo da vinci is the astonishingly intimate story of the most fascinating controversial innovator of modern times for two years isaacson shadowed elon musk as he executed his vision for electric vehicles at tesla space exploration with spacex the ai revolution and the takeover of twitter and its conversion to x the result is the definitive portrait of the mercurial pioneer that offers clues to his political instincts future ambitions and overall worldview when elon musk was a kid in south africa he was regularly beaten by bullies one day a group pushed him down some concrete steps and kicked him until his face was a swollen ball of flesh he was in the hospital for a week but the physical scars were minor compared to the emotional ones inflicted by his father an engineer rogue and charismatic fantasist his father s impact on his psyche would linger he developed into a tough yet vulnerable man child prone to abrupt jekyll and hyde mood swings with an exceedingly high tolerance for risk a craving for drama an epic sense of mission and a maniacal intensity that was callous and at times destructive at the beginning of 2022 after a year marked by spacex launching

thirty one rockets into orbit tesla selling a million cars and him becoming the richest man on earth musk spoke ruefully about his compulsion to stir up dramas i need to shift my mindset away from being in crisis mode which it has been for about fourteen years now or arguably most of my life he said it was a wistful comment not a new year s resolution even as he said it he was secretly buying up shares of twitter the world s ultimate playground over the years whenever he was in a dark place his mind went back to being bullied on the playground now he had the chance to own the playground for two years isaacson shadowed musk attended his meetings walked his factories with him and spent hours interviewing him his family friends coworkers and adversaries the result is the revealing inside story filled with amazing tales of triumphs and turmoil that addresses the question are the demons that drive musk also what it takes to drive innovation and progress

walter isaacson s enthralling the new yorker worldwide bestselling biography of apple cofounder steve jobs based on more than forty interviews with steve jobs conducted over two years as well as interviews with more than 100 family members friends adversaries competitors and colleagues walter isaacson has written a riveting story of the roller coaster life and searingly intense personality of a creative entrepreneur whose passion for perfection and ferocious drive revolutionized six industries personal computers animated movies music phones tablet computing and digital publishing at a time when america is seeking ways to sustain its innovative edge jobs stands as the ultimate icon of inventiveness and applied imagination he knew that the best way to create value in 21st century was to connect creativity with technology he built a company where leaps of the imagination were combined with remarkable feats of engineering although jobs cooperated with the author he asked for no control over what was written he put nothing off limits he encouraged the people he knew to speak honestly and jobs speaks candidly sometimes brutally so about the people he worked with and competed against his friends foes and colleagues provide an unvarnished view of the passions perfectionism obsessions artistry devilry and compulsion for control that shaped his approach to business and the innovative products that resulted driven by demons jobs could drive those around him to fury and despair but his personality and products were interrelated just as apple s hardware and software tended to be as if part of an integrated system his tale is instructive and cautionary filled with lessons about innovation character leadership and values steve jobs is the inspiration for the movie of the same name starring michael fassbender kate winslet seth rogen and jeff daniels directed by danny boyle with a screenplay by aaron sorkin
