as the global economy changes rapidly so must your approach to building wealth the future of wealth building strategies shows you how to stay ahead and thrive in a world of shifting markets evolving technology and changing consumer behavior this book provides insights into the latest trends in wealth building including the rise of digital assets automation and the impact of globalization you ll learn how to adapt your wealth building strategies to the new realities of the global economy make smart investment decisions and create sustainable sources of income this book will help you prepare for the future of finance ensuring that you are positioned for success no matter what changes lie ahead

but the reality for the love of money many will do almost anything to get it and once gotten the evil deeds and sorrow follows money issues are everyday issues for someone or somebody begging borrowing or stealing the thing money money money whether you are smart or wise come and follow the accounts of the victors and the

spoils then you decide who were smarter

two things you should know about this book are the fact that if you have ever wanted an answer to breaking out of your poverty low self esteem or addiction you will find it here i have drawn on my experience of spending many years dealing with these issues for solutions as to how they can be successfully conquered i am a living testimony that where the mind and spirit leads the body will follow and that we can always do better than we know secondly when i decided to publish this book i made up my mind that i wasn t going to try and sell it to anyone who isn t tired of being sick and tired and who hasn t reached the point that they can t go on doing the same old thing expecting different results i know that when people get sick enough of meeting with failure and disappointment you won t have to go looking for them with a cure they will come looking for you i am convinced that as bad as things are for many of us that our suffering is working to drive us to god and the solutions he has enabled concerned people to develop this book is for those who want to do something different than they have always done to get something different than they have always had it may hurt the sale of this book but i don t encourage you to buy it if you are not ready to do some serious work on the problem areas of your life and are tired of making excuses for your life not getting better if you are not doing anything to make it better this book is not for your shelf it is to be used in fixing anything broken in your life mind or spirit

based on his landmark research and teachings dr john demartini has discovered the key to fulfillment in all aspects of life what is the most important step you can take to achieve the life you ve always dreamed of you might think the answer is something like start saving money get a better job find my soul mate or improve my marriage solutions like these might offer temporary satisfaction but none of them can provide true lasting fulfillment or help you achieve your unique purpose in life the values factor shows you how to create a life in which every minute can be inspiring and fulfilling the first step is to identify what you find most meaningful the values in life that are most important to you once you understand your own unique values and align your life accordingly you can achieve fulfillment in every aspect of your life deepening your loving relationships creating an inspiring career establishing financial freedom and tapping into a rich spiritual life dr demartini s provocative thirteen part questionnaire will reveal to you what you value most the answers may surprise you then each chapter of this book explains how to align every aspect of your life with your true values so that you can finally achieve the success that you were capable of all along
