the present work concludes the important and monumental undertaking of islanders in the stream a history of the bahamian people creating the most thorough and comprehensive history yet written of a caribbean country and its people in the first volume michael craton and gail saunders traced the developments of a unique

archipelagic nation from aboriginal times to the period just before emancipation this long awaited second volume offers a description and interpretation of the social developments of the bahamas in the years from 1830 to the present volume two divides this period into three chronological sections dealing first with adjustments to emancipation by former masters and former slaves between 1834 and 1900 followed by a study of the slow process of modernization between 1900 and 1973 that combines a systematic study of the stimulus of social change a candid examination of current problems and a penetrating but sympathetic analysis of what makes the bahamas and bahamians distinctive in the world this work is an eminent product of the new social history intended for bahamians others interested in the bahamas and scholars alike it skillfully interweaves generalizations and regional comparisons with particular examples drawn from travelers accounts autobiographies private letters and the imaginative reconstruction of official dispatches and newspaper reports lavishly illustrated with contemporary photographs and original maps it stands as a model for forthcoming histories of similar small ex colonial nations in the region

this secondary school text has been designed to include all the important topics in bahamian history from the arawaks to the present day

from two leading historians of bahamian history comes this groundbreaking work on a unique archipelagic nation islanders in the stream is not only the first comprehensive chronicle of the bahamian people it is also the first work of its kind and scale for any caribbean nation this comprehensive volume details the full extraordinary history of all the people who have ever inhabited the islands and explains the evolution of a bahamian national identity within the framework of neighboring territories in similar circumstances divided into three sections this volume covers the period from aboriginal times to the end of formal slavery in 1838 the first part includes authoritative accounts of columbus s first landfall in the new world on san salvador island his voyage through the bahamas and the ensuing disastrous collision of european and native arawak cultures covering the islands initial settlement the second section ranges from the initial european incursions and the first english settlements through the lawless era of pirate misrule to britain s official takeover and development of the colony in the eighteenth century the third and largest section offers a full analysis of bahamian slave society through the great influx of empire loyalists and their slaves at the end of the american revolution to the purported achievement of full freedom for the slaves in 1838 this work is both a pioneering social history and a richly illustrated narrative modifying previous eurocentric interpretations of the islands early history written to appeal to bahamians as well as all those interested in caribbean history islanders in the stream looks at the islands and their people in their fullest contexts constituting not just the most thorough view of bahamian history to date but a major contribution to caribbean historiography

the first of the series of bahamas handbooks information is given on the history geography and society of the bahamas during the early part of the 20th century after introducing the bahamas and its people this book traces the history of the commonwealth of the bahamas it highlights places of historic interest in nassau and features three walking tours of the city new providence is then explored by car this section contains information on paradise island grand bahama and freeport are given a separate section being the second most important tourist centres in the bahamas turning to the family island descriptions are given and tours are made of these places the work concludes with sections on night life and useful information about the bahamas
