homilists catechists and parents will make excellent use of this book in which the author interweaves spirituality and storytelling to demonstrate the beauty and inspiration of stories

imagination is a gift from god our imagination can either be a blessing in our lives or it can be a curse allowing god into our heart and mind we learn to receive the promises of god this book is my journey of how god turned my life around as i turned away from the sin in my life looking to jesus christ the author and finisher of our faith

too often believers pray for healing but never experience it they pray for prosperity but never receive it why because they don t know how to use a godly imagination correctly they don t see themselves healed they don t see themselves prosperous they don t see themselves victorious in the power of imagination

long ignored imagination plays a central role in how we relate to god here richard cote explores the role of the imagination in the development of our spirituality and deepest sense of faith using the analogy of lazarus cote explores how our imagination is waiting to be called out from its tomb this book is a loud and clear clarion call to celebrate the place of imagination and creativity at the heart of our experience of god like the biblical figure of lazarus whom jesus called forth from the tomb our imaginations wait to be summoned forth into the light religious imagination is a key dimension of faith the vital point of contact between divine revelation and human experience without religious imagination how can we see the hand of god in our lives the face of christ in the poor or the signs of god s reign in our broken world the faithful imagination of christians opens up unprecedented possibilities for the believer and the church today

this first volume explores the specific roles of metaphysical and religious beliefs in explanation and theory construction in the natural sciences it surveys modes of interaction between religion and science paying attention to the sensitivities required for their historiography

the extra ordinary life is yours to be had if you desire it a life experience with peace that is not dependent on externals such as material possessions pills alcohol endless counseling sessions or other dysfunctional behaviors that ultimately end in despair remember those who ask will receive those who seek will find those who knock will have

the door opened asking seeking and knocking are fundamental keys to the extra ordinary life this book will examine the life of christ and attempt to extrapolate from his unique experience to demonstrate how all of us can experience an extra ordinary life a close examination of how imagination and faith combined with the power of our words and thoughts can propel people into new possibilities will be found within the pages of this book to experience continual growth and renewal requires choice my aim is that after reading this book your choice to move into the extra ordinary will be clear and unmistakable a greater life experience is just around the corner for those willing to open their hearts and minds to a new reality a reality where imagination is awakened faith is charged the power of the spoken word is made manifest and thoughts are vivid and then realized in life no longer do you have to be a bystander watching others live their best life have you been cheering others on while crying inside because you felt left behind be encouraged one encounter can change your world because one step toward the extraordinary man who was is and will forever exist can alter your existence my hope is that your life will be forever changed as you begin to experience the extra ordinary that life in christ has to offer

since 1965 there has been an explosion of fiction about being catholic clearly a result of confusions in the post vatican ii church american catholic culture has suffered severe dislocations and fiction has provided one way of coping with those dislocations in testing the faith anita gandolfo provides an overview of fiction about the american catholic experience the book considers emerging novelists such as mary gordon and valerie sayers and established writers like paul theroux among the popular writers covered are andrew greeley and william x keinze the volume also considers the emergence of new young writers such as jeanne schinto sheila o connor and philip deaver by analyzing patterns in contemporary catholic fiction gandolfo shows both the shared interest these writers have in the catholic experience and their individual perspectives on that experience the book is the first to consider post vatican ii catholic literature and will be of interest to those concerned with both the catholic experience and current literature
