understanding human resources management provides an overview of the topics found in an introductory human resources management course including hrm systems processes and policies regardless of someone's role within an organization the product will provide you with valuable insights about dealing with people in order to create meaningful and productive work environments the authors are two award winning educators who have experience not only in the classroom but also as hr professionals and they infuse their

practical experiences throughout to bring concepts to life using a variety of industries and different sized companies to bring a wide range perspective to the topics introduced this second edition has been thoroughly updated to reflect current practices challenges and opportunities facing today s organizations

the thinking on human resource development hrd practices has been evidenced for the last one and a half decades however the pace and volume of change has forced hr managers to meet complex challenges like globalization a diverse workforce and informed expectations for training learning and development both organizations and employees benefit from hrd interventions because an organization s success critically depends on the levels of employee skills and motivation the hrd almanac looks at 4 broad focus areas of hr practices that are strategy centric organizational alignment related employee empowerment focused and the learning training and development angle the author weaves together 25 detailed chapters spanning the gamut of the hrd function the writing is aligned on a uniform pattern providing answers to the what consisting of definitions and descriptions of the theme why consisting of concept clarifications where the role of the human resources department and how an authentication of data obtained through a pilot study on hr practitioners across industry sectors the hrd almanac is a factual compendium of literature concepts organizational experiences and perceptions on some of the most important hrd efforts and will serve as an appropriate and excellent handbook for young and potential hr functionaries

as contrary as it sounds planning as we traditionally understand the term can be the worst thing a company can do consider that volatile weather events disrupt trusted supply chains markets and promised delivery schedules ever shifting geo political tensions as well as internal political upheaval within u s and global governments derail long planned new ventures technology failures block opportunities competitors suddenly change their product or release date your team cannot meet the pace of innovations in your market niche leaving you sidelined there are myriad ways in the current business environment for a company s well considered business plans to go awry most business schools continue to prepare managers to be effective in stable and predictable environments conditions that if they ever existed at all are long gone the agility shift shows business leaders exactly how to make the radical mindset and strategy shift necessary to create an agile entrepreneurial organization that can innovate and thrive in complex ever changing contexts as author pamela meyer

explains there is much more involved than a reconfiguration of the org chart and job descriptions it requires relinquishing the illusion of control at the very foundation of most management training and business practice despite most leaders approaches agility is not simply accelerated planning unlike many agility books on the market the agility shift provides specific actionable strategies and tactics for leaders at all levels of the organization to put into practice immediately to improve agility and achieve results

charismatic pastors fast paced worship sessions inspirational but shallow theology and large congregations these are just some of the associated traits of pentecostal megachurches but what lies beneath the veneer of glitz what are their congregations like how did they grow so quickly how have they managed to negotiate local and transnational challenges this book seeks to understand the growth and popularity of independent pentecostal megachurches in southeast asia using an ethnographic approach the chapters examine pentecostal megachurches in malaysia indonesia the philippines and singapore each chapter dwells on the development of the megachurch set against the specific background of the country s politics and history

best practices guidelines and toolkit on engaging the private sector in skills development jointly developed by undp iicpsd and statistical economic and social research and training centre for islamic countries sesric will inspire motivate and mobilize the private sector for its active engagement in skills training for employment the guidelines and toolkit will help stakeholders to collaborate more closely with companies chambers of commerce and business associations it outlines how the private sector could contribute to the employability of individuals through providing labour market signals improving technical and practical skills acquisition integrating industry know how and expertise to every step of the trainings and help link skills to placement opportunities these will ensure that disadvantaged youth women and other marginalized groups are ready to enter the labour force with possessing the right skills they need to thrive the 2030 agenda for sustainable development highlights the importance of skills and lifelong learning not only to make individuals competitive in the labour market but also to empower people sustainable development goal sdg 4 reminds us that inclusive quality education is critical for human development sdg 8 reminds us that decent work and economic growth can only be achieved through productive capacities the relationship between skills and employability is fundamental to the success of the sdgs from

eradicating poverty to achieving gender equality to empowering women and girls bridging the skills mismatch for greater employability will be a huge leap forward in achieving the sdgs this publication guarantees to guide all stakeholders in the direction of improving the existing skills and reducing the skills mismatch for greater employability of the target groups the guidelines and toolkit will complement existing undp work on sustainable employment and inclusive growth and augments the related efforts of other international organizations

this book presents a state of the art cross linguistic survey of applicative constructions in the functional typological tradition an introductory section sets the terminological and analytical stage presents the methodology used by the different chapters and provides a typological outlook the individual contributions address the morphological syntactic and semantic variation of applicatives as well as their discourse pragmatic function they cover all major language families and some isolates that feature some illuminating version of the phenomenon paying special attention to language internal variation and unity the phenomena surveyed range from those instances usually considered canonical valency increasing syntactically and semantically predictable productive dedicated and optional to those occasionally understudied in descriptive works and frequently neglected in comparative studies valency neutral rather unpredictable lexicalized syncretic and or obligatory

containing more than 48000 titles of which approximately 4000 have a 2001 imprint the author and title index is extensively cross referenced it offers a complete directory of canadian publishers available listing the names and isbn prefixes as well as the street e mail and web addresses

providing a series of crucial debates on language power difference and social inequality this volume traces developments and dissonances in critical sociolinguistics eminent and emerging academic figures from around the world collaboratively engage with the work of monica heller offering insights into the politics and power formations that surround knowledge of language and society challenging disciplinary power dynamics in critical sociolinguistics this book is an experiment testing new ways of producing knowledge on language and society critically discussing central sociolinguistic concepts from critique to political economy labor to media education to capitalism each chapter features a number of scholars offering their distinct social and political perspectives on the place played by

language in the social fabric through its theoretical epistemological and methodological breadth the volume foregrounds political alliances in how language is known and explored by scholars writing from specific geopolitical spaces that come with diverse political struggles and dynamics of power allowing for a diversity of genres debates controversies fragments and programmatic manifestos the volume prefigures a new mode of knowledge production that multiplies perspectives and starts practicing the more inclusive just and equal worlds that critical sociolinguists envision

from the bram stoker nominated author team who penned a haunted history of invisible women the first book of its kind to investigate gothic tropes that define american lore here is the hidden dark history of what frightens us and why the gothic brooding atmospheric chilling and not always the outpouring of a feverish imagination reality can be even stranger as borne out in this lush and ghostly look at real people who lived and died amidst the trappings of the gothic fog clinging to an isolated mansion a dangerous patriarch or an overbearing matron locked doors and forbidden rooms whispers of murder and madness and a woman shadowed by omnipresent threats you ve guessed it you ve stumbled into a gothic tale and it will haunt you like a ghost we often think of the enduring tropes of the gothic in terms of fiction and film breath catching escapes that tap into our fears anxieties forbidden desires and unsettling dreams but what if some of these chilly vibes are rooted in the experiences of real and tragic people who danced a macabre waltz with love and death that s why we re here take the case of teenage mercy brown victim or was it predator of rhode island s vampire hysteria of the 1890s marguerite de la roque a french noblewoman condemned for sexual crimes to canada s long lost isle of demons what happened to her and the barren landscape itself is the stuff of legend and mad lucy ludwell the decidedly peculiar eighteenth century high society hauteur driven mad in the virginia estate she prowls to this day president helen peabody s spirit still stringently watches over her women s college now part of ohio s miami university ghosts of workers lost in horrific conditions while building the hoosac tunnel warn of imminent danger settle in there are more welcome to the phantom ships haunted academic halls menacing landscapes and family curses of america s most gothic a tour of true spectral sightings and disordered minds but beware it s sure to get under your skin the haunted and haunting figures herein want it that way
