this clear and comprehensive text covers the middle ages from the classical era to the late medieval period distinguished historian john riddle provides a cogent analysis of the rulers wars and events both natural and human that defined the medieval era taking a broad geographical perspective riddle includes northern and eastern europe byzantine civilization and the islamic states each he convincingly shows offered values and institutions religious devotion toleration and intolerance laws ways of thinking and changing roles of women that presaged modernity in addition to traditional topics of pen sword and word the author explores other driving forces such as science religion and technology in ways that previous textbooks have not he also examines such often overlooked issues as medieval gender roles and medicine and seminal events such as the crusades from the vantage point of both muslims and eastern and western christians in addition to a thorough chronological narrative the text offers humanizing features to engage students each chapter opens with a theme setting vignette about the lives of ordinary and extraordinary people the book also introduces students to key

controversies and themes in historiography by featuring in each chapter a prominent medieval historian and how his or her ideas have shaped contemporary thinking about the middle ages richly illustrated with color plates this lively engaging book will immerse readers in the medieval world an era that shaped the foundation for the modern world

the culture of the middle ages was as complex if not as various as our own as the essays in this volume ably demonstrate the essays cover a wide range of topics from church sculpture as advertisement to tricks and illusions as homeeconomics

beginning with the merger of roman christian and germanic cultures this history of the middle ages covers a vast array of subjects including byzantium and the islamic world feudalism church reform architecture the crusades courtly love the magna carta and the hundred years war author barbara a hanawalt uses a lively and anecdotal writing style to bring history alive for young readers she delves into the telling details that young adults find fascinating such as the different kinds of armor and weapons used by knights on horseback and the terrifying spread of the black death through europe in the 14th century lavishly illustrated with art photographs documents artifacts and maps the middle ages also includes an index and suggestions for further reading

this book examines how mid twentieth century intellectuals engagement with the middle ages shaped politics art and history

the early middle ages covers one of the darkest periods in european history from the collapse of the roman empire through centuries of chaos destruction and barbarian rule the germanic invasions civilizing power of the church the rise of feudalism and life in a medieval castle are among the topics vividly documented in this richly illustrated text challenging map exercises and review questions encourage meaningful reflection and historical analysis a unit test and answer key are included

earlier theses on the history of childhood can now be laid to rest and a fundamental paradigm shift initiated as there is an overwhelming body of evidence to show that in medieval and early modern times too there were close emotional relations between parents and children the contributors to this volume demonstrate conclusively on the one hand how intensively parents concerned themselves with their children in the pre modern era and on the other which social political and religious conditions shaped these relationships these studies in emotional history demonstrate how easy it is for a subjective choice of sources coupled with faulty interpretations caused mainly by modern prejudices toward the middle ages in particular to lead to the view that in the past children were regarded as small adults the contributors demonstrate convincingly that intense feelings admittedly often different in nature shaped the relationship between adults and children

every generation reinvents shakespeare for its own needs imagining through its particular choices and emphases the shakespeare that it values the man himself was deeply involved in his own kind of historical reimagining this collection of essays examines the playwright s medieval sources and inspiration and how they shaped his works with a foreword by michael almereyda director of the hamlet starring ethan hawke and dramaturge dakin matthews these thirteen essays analyze the ways in which our modern understanding of medieval life has been influenced by our appreciation of

shakespeare s plays

the middle ages c 500 1500 includes a thousand years of european history in this very short introduction miri rubin tells the story of the times through the people and their lifestyles including stories of kingship and christian salvation agriculture and trade rubin demonstrates the remarkable nature and legacy of the middle ages

although life in the middle ages was not as comfortable and safe as it is for most people in industrialized countries today the term dark ages is highly misleading the era was not so primitive and crude as depictions in film and literature would suggest even during the worst years of the centuries immediately following the fall of rome the legacy of that civilization survived this book covers diet cooking housing building clothing hygiene games and other pastimes fighting and healing in medieval times the reader will find numerous misperceptions corrected the book also includes a comprehensive bibliography and a listing of collections of medieval art and artifacts and related sites across the united states and canada so that readers in north america can see for themselves some of the matters discussed in the book instructors considering this book for use in a course may request an examination copy [here](#)

barbara h rosenwein s bestselling survey text continues to stand out by integrating the history of three medieval civilizations european byzantine and islamic in a lively narrative that is complemented beautifully by full color plates maps and genealogies the fourth edition begins with an essay entitled why the middle ages matter today and the book now covers east central europe in some depth new plates have been added along with a new seeing the middle ages feature the sections for further reading have been updated and ancillary materials including study questions can be found on the history matters website utphistorymatters.com

the interest of the writers of these essays in the intricacies and implications of translation in the middle ages or of the translation of medieval texts in the modern period has resulted in a diverse and intellectually stimulating volume the papers in this volume written in either english french or spanish approach translation from a wide variety of perspectives and offer a range of interpretations of the concept of translation the volume contains essays ranging in time from the anglo saxon period to the present and in topic from medieval recipe books to arguments in favour of women administering the sacrament languages studied include non european languages as well as latin and numerous european vernaculars as both source and target languages as any translator or student of translation quickly becomes aware it is impossible to divorce language from culture all the contributors to this volume struggle with the complexities of translation as a cultural act even when the focus would seem to be specifically linguistic it is these complexities which lend the study of the theory and practice of translation in the middle ages its enduring fascinat

the middle ages aren t just an uninteresting period of history trapped between ancient times and the renaissance as the name suggests it s 1 000 years of fascinating historical events including the crusades the black death and the longest war that has ever been fought this comprehensible book takes young historians on the journey from the beginning of medieval times to the end maps historical artwork and a timeline help readers understand the essential moments of the middle ages
