this startling analysis of violence within intimate relationships contends that every abusive relationship has paradoxically a heart of its own practitioners must acknowledge and engage this dynamic emotional center in order for interventions to succeed the heart of intimate abuse takes a broad critical view of standard responses to abuse by today s criminal justice social work and medical systems especially those that respond to violence with coercive interventions such as mandatory arrest prosecution and reporting laws here is a bold vision of the core dynamics of abuse in families a vision that professionals can use to realize new policies and implement effective interventions that reach the heart of intimate abuse

this title was first published in 2002 banking reform lies at the heart of economic reform in china and is central to sustaining the countries high economic growth this timely book covers an important economic policy issue in china namely the existing and potential roles of the financial sector in the development of the chinese economy it explores for the first time the relationship between the reforms of the financial sector of state owned enterprises soes and of the social welfare system donald d tong presents a wealth of valuable data accompanied by original insights and interpretations the author also examines the original estimates of the cost of the social welfare burden given that social services such as old age pension housing healthcare and education are provided by the soes rather than by the private or public sector directly

the state is often regarded as an abstract and neutral bureaucratic entity against this common sense idea at the heart of the state argues that it is also a concrete reality with a morality embodied in the work of its agents and inscribed in the issues of its time a political and moral anthropology this book is the result of a five year investigation conducted by ten scholars based in france it analyses amongst other topics the police the court system the prison apparatus the social services and mental health facilities combining genealogy and ethnography its authors show that these state institutions do not simply implement laws rules and procedures they mobilise values and affects judgements and emotions in other words they reflect the morality of the state

evangelism should be the very heartbeat of every born again christian flowing from their love of jesus christ in this book ed lacy reminds us of the transformative power found within the gospel message the message that is christ centered from beginning to end the gospel stands as a beacon of light illuminating the path to salvation god has chosen the plan of salvation and the way to proclaim the good news lacy beckons you to place your confidence in the surpassing power of the gospel that cannot be found in a formula or man s philosophy but rather in the person and work of jesus christ alone he invites us to behold the majestic plan of god the father that sent his son to be the savior and lord who in his perfect life sinless death and glorious resurrection accomplished what no other could the salvation of sinners throughout these pages each chapter builds upon one another taking you from the foundation of god s work to its climax where all will stand before the living god at the bema seat or the great white throne judgment you will encounter stories of lives transformed by the power of the gospel stories of broken lives redeemed purpose restored and lives filled with unspeakable joy and contentment moreover he emphasizes the essence of true evangelism lies not in persuasive techniques or eloquent speech but in pointing people to jesus christ who alone can resurrect those spiritually dead in trespasses and sins and give them life eternal using the word of god he reveals the fruit of a life that has been changed by the power of the gospel journeying through these chapters may you be inspired to share the gospel boldly and compassionately striving to carry out god s work god s ways for god s glory in the surpassing power of the gospel christ centered evangelism ed s passion and teachings lives on complied by his beloved wife of 44 years dianne who

worked alongside him in ministry has conformed ed s sermons notes and teachings into a powerful study on evangelism dianne a women s bible teacher and conference speaker herself honors ed s legacy by bringing his unfinished work to completion this work ensures that the mission of inspiring equipping and calling on believers to share the gospel with a lost and dying world presses onward for the glory of god

this book is a comprehensive and richly illustrated guide to cardiac ct its current state applications and future directions while the first edition of this text focused on what was then a novel instrument looking for application this edition comes at a time where a wealth of guideline driven robust and beneficial clinical applications have evolved that are enabled by an enormous and ever growing field of technology accordingly the focus of the text has shifted from a technology centric to a more patient centric appraisal while the specifications and capabilities of the ct system itself remain front and center as the basis for diagnostic success much of the benefit derived from cardiac ct today comes from avant garde technologies enabling enhanced visualization quantitative imaging and functional assessment along with exciting deep learning and artificial intelligence applications cardiac ct is no longer a mere tool for non invasive coronary artery stenosis detectionin the chest pain diagnostic algorithms cardiac ct has proven its value for uses as diverse as personalized cardiovascular risk stratification prediction and management diagnosing lesion specific ischemia guiding minimally invasive structural heart disease therapy and planning cardiovascular surgery among many others this second edition is an authoritative guide and reference for both novices and experts in the medical imaging sciences who have an interest in cardiac ct
