the south african taxonomic soil classification system sat is well established and utilised in south africa however it is not internationally well known and therefore the need arose to provide a tool by which south african soil taxonomists can convert south african soil classifications and profile descriptions to the international classifications of the world reference base wrb for soil resources the diagnostics and tacit knowledge presented in this publication are therefore based on the sat and the wrb when necessary further substantiation was derived from the land type survey of south africa the adopted procedure is effective in providing a reasonable classification based on the south african soil forms and families while excluding certain wrb soil groups and qualifiers because these are irrelevant to south african taxonomy lastly this publication also highlights some peculiarities omissions and inconsistencies observed between the sat and wrb

seasoned travellers know that the journey is half the experience it is in this spirit that south africa by road gives insight into the many national treasures that line our highways and byways from vibrant cities to charming country towns and one horse dorps steeped in history south africa by road a regional guide is more than a mere travel guide it is a comprehensive handbook to the country the ultimate companion for any road trip this book offers sound advice on the best routes and contains all that holiday makers need to know when planning their next vacation stunning full colour photographs and an interesting mix of side panels will inspire travellers to take to the tarred and gravel roads of south africa and explore the many absorbing nooks and crannies of our extraordinarily diverse country each chapter gives an overview of a region s climate flora and fauna as well as history and heritage and highlights the most noteworthy places ideas for what to do in each location are similarly outlined as are key activities routes and trails from hot air ballooning to white water rafting 4x4 trails to strolls in the countryside spelunking to visiting museums and architecture to festivals there is something for everyone customised full colour maps in each chapter are marked with game reserves national parks nature reserves hot springs and places of interest and show toll roads passes and national secondary and dirt roads to help you plan your journey excellent value for money this handy and authoritative guide should be your first purchase in preparation for any journey in and around south africa so get your tyres checked and pack the padkos there is a fascinating country waiting to be explored the late pat hopkins graduated with a degree in history and political science from the former university of natal now the university of kwazulu natal he won awards for his travel writings and authored more than 18 books including place a collection of south african travel and

landscape quotations 101 beloved bars of southern africa and voëlvry the movement that rocked south africa all published by zebra press willie olivier has explored the highways and byways of southern africa for the past 30 years covering thousands of kilometres on foot and by road he is the author of numerous travel books including african adventurer s guide to mozambique and hiking trails of south africa all available from random house struik he lives in windhoek denise slabbert is a television producer and travel writer based in johannesburg in addition to running her own production company she writes for a number of magazines and newspapers and is a regular contributor to the south african tourism website she is the author of four books including random house struik s south africa through the seasons and offbeat south africa in preparation for south africa by road a regional guide award winning photographer jéan du plessis travelled the length and breadth of the country magnificently capturing the land based in cape town he worked for the newspaper die burger for 30 years before embarking on a freelance career he has published several books with random house struik including the acclaimed namibia a visual celebration

it is never too late to do something crazy wonderful your mid life crisis doesn t have to be boring eric de jong aged 60 took up mountain biking the next thing he was making pinky promises with a fellow rider to ride from cape town to the summit of mount kilimanjaro detouring off highways in search of roads less traveled cape town to kilimanjaro is about having fun doing good and doing epic join eric on his jaw dropping foot cramping adventures through africa and he ll make you laugh cry and will hopefully inspire

where to watch birds in africa is a field guide designed to help birders and general wildlife enthusiasts organize the most enriching trips possible throughout this great continent from morocco to madagascar this book presents over 200 bird watching sites in detail and describes the species endemic to africa the traveler will find practical information on climate transportation accommodations health and safety as well as advice on a number of strategic questions where can we see birds that epitomize the continent which country supports the best cross section of species and the most endemics how many sites must be visited to see most of these birds how much time do these trips take and when is the best time to go featuring over one hundred maps and fifty one line drawings this book is not only a guide but also a handy reference following a chapter on how to use the book there is an introduction to the continent and its birds the countries archipelagos and islands are then dealt with alphabetically general introductions to each country are followed by site details which include bird lists a list of other wildlife present if applicable and the latest information on where to look for the best birds originally published in 1995 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press

these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

the dictionary of southern african place names now in its 4th edition helps you sort your komkhulu from your kommetjie with the most comprehensive glossary of southern african towns villages railway stations mountains rivers and beaches the 9 000 short entries incorporate data from sources dating as far back as 1486 encapsulating the linguistic and cultural heritage of all the peoples of the subcontinent past and present in this highly readable book the expert authors take you on a fascinating journey of the highways and byways of southern africa whether you are a motorist an adventurer or merely an armchair traveller this book has a multitude of facts and details that will fascinate you this is much more than a reference book it gives an insight into what shapes a place and its people through our heroes events beliefs values fears and aspirations

that summer afternoon i had no way of knowing the book would radically alter my existence yet that proved to be the case a wind that had begun to blow from a faraway place a long time ago had finally caught up with me so writes folklorist josé manuel de prada samper about a chance discovery more than thirty years ago of an obscure book called specimens of bushman folklore in a second hand bookshop in england part historical detective story part memoir fading footprints traces the author s journey into the magical folklore of the xam hunter gatherers of the upper karoo through archival research and on field trips in south africa de prada samper reveals the tragic scope of the genocide of the xam san by european colonisers however he is also able to humanise the xam as he delves into the work and lives of researchers wilhelm bleek and lucy lloyd who recorded the stories of san prisoners in cape town over more than a decade in the late 1800s determined to seek out the ancient folklore tales the author travels to forgotten corners of the northern cape there he learns that many stories are still told to this day by farm workers and that contrary to common belief the culture and traditions of south africa s first people are still very much alive their footprints may have faded but they have not been erased
