with this powerful book bestselling author stuart wilde shows you that to create miracles you have to be very clear about what it is you want by being forthright and acting as if you have already obtained the object or condition that you desire you create such a powerful energy that the universal law gives you whatever you are seeking

author of the trick to money is having some life was never meant to be a struggle just a gentle progression from one point to another much like walking through a valley on a sunny day stuart analyzes why we as humans are constantly making life harder for ourselves and how to stop this detrimental mind loop and inner belief that life is a struggle through this book stuart helps you identify your struggle why it has appeared in your life and eliminate it take back your freedom and create a life struggle free

the thoughts and ideas in this book form the basis of stuart wilde s philosophy on how to develop a more liberated mind set and thus a more carefree

and delightful life the thoughts and essays are from his best selling books as well as his unpublished writings you can just open the book anywhere and start reading usually you ll find that the first few pages you read will feature some helpful hints that are very relevant to some aspect of your current life somehow synchronicity will always lead you to exactly what you need to know so if you want your spiritual concepts short and sweet then this book will suit you perfectly as stuart says any philosophy that you can t haul down to the bank or up to the airport ain t worth having newly revised and updated

silent power like its bestselling predecessor life was never meant to be a struggle is a tiny book filled with practical advice on living more fully using your silent power author stuart wilde claims that there is a silent power within you an inner knowing that grows because you understand its infinity silent power teaches you hour by hour it is with you this very minute as you begin to trust your power it can lead you step by step to the next person and place in your life

it s a marvelous thing to know that you have the courage discipline and follow through to enliven your consciousness in this groundbreaking book stuart wilde brings to light new and compelling information about the sixth sense and tells you how to develop it he defines this sixth sense as sacred energy that taps you into the state of all knowing once you discover the sixth sense etheric point of view it opens the energy centers in your subtle body and you take on more light going naturally from stiff to pliant flowing with life rather than struggling with it stuart tells us in sixth sense that what you need is inner power a personal charisma a spiritual power an extrasensory perception that makes you bigger than life you garner that energy through compassion kindness introspection and solidity after reading this book your perception of life in all its subtlety and vastness will reach beyond the mundane to a special level of spirituality

for decades modern seekers have experimented and studied with many diverse teachers and religions but stuart wilde says in that toward the end of a long spiritual journey we all seek the same thing redemption none of us is perfect and yet through embracing that imperfection and reconciling it we become a complete being encompassing both the light and the dark as stuart says many mystics holy people and even the hopi indians have predicted a new age of enlightenment and they are not wrong in my view it has arrived and with it has come a whole host of fascinating phenomena never seen before we are stepping into a magical new era the age of forgiveness it is when the ivory tower of the ego s ideas falls that we can then embrace a new humility allowing us to become ever more genuine compassionate and real in this fascinating book stuart makes the point that the process of redemption and forgiveness comes from incorporating the three graces in one s heart tenderness generosity and respect

author of the trick to money is having some stuart wilde teaches us how to consolidate your inherent power and transcend all limitations by releasing yourself from the constraints of your ego the 33 energies of man is an ancient teaching of energies to allow humans to transform into a high state of

consciousness stuart has taken these complex teachings and created infinite self 33 steps to reclaiming you inner power to allow his readers to raise their energy gain awareness and set you free

in this book stuart wilde explains that the force is a part of each and every thing in the physical plane this includes our planet the stars and galaxies and the physical universe as it stretches out into space beyond our perception by its very nature the force is immortal and never ending because it is the inner light or livingness within all things we call it universal

the quickening is the fourth in a series of books on self empowerment by stuart wilde it discusses the power of the ancient warrior sages and it teaches you etheric life force and psychological techniques for consolidating your energy the world of the common man is about to unravel like never before i seek the attention of those that are strong and getting stronger it is only through the power of these individuals that the spirituality of the world will survive the hurricanes of change there is little time stuart wilde

stuart shows how many of the opinions in our society that cause us anguish can be released through some psychological and spiritual understanding he reveals the techniques that can help liberate you from the perceptions of others and thus set you free

three of stuart wilde s bestselling books are included in this beautifully packaged self empowering anthology miracles stuart makes the point that creating miracles in our lives is no more complicated than understanding the metaphysics of the universal law which states that within human beings there lies an immense power and this power

author of the trick to money is having some stuart wilde presents the ten laws of abundance and money showing us that we can align effortlessly with good fortune we only remember that money is the root of all evil but the actual quotation is the love of money is the root of all evil money of itself is a symbol of appreciation a gesture of goodwill and compassion stuart wilde stuart reveals the psychological aspects of the money game as well as the deeper metaphysical secrets of prosperity he reminds us that comprehending the ebb and flow of money in our lives is one of the great spiritual lessons of the earth plane as are physical balance love and interpersonal relationships throughout history philosophers and great religious leaders have taught us that there is divine abundance which ebbs and flows through our lives as the seasons do money is just a symbol of the infinite goodness that gave us life the little money bible lets us know that we can be rich and spiritual with wealth we can help others strengthen themselves so that they can also accumulate money abundance stuart reminds us is our birthright

what is new age spirituality is it relevant to our twenty first century experience alain aristides book sets out to illuminate the various paths to

spiritual enlightenment including short biographies of new age authors a course in spirituality references materials as contiguous as eckhart tolle's bestseller the power of now ernest holmes the science of mind the wisdom of abraham channeled by esther hicks a course in miracles and the kabbalah among many others it discusses numerous subjects as diverse as esotericism meditation mysticism healing theology telepathy hypnosis re incarnation quantum physics ayurveda and many more arcane topics a course in spirituality is a journey beyond philosophy filled with personal insights and surprising correlations which hopefully will inspire others to seek their own individual enlightenment may these writings be a coruscating ray of light piercing the gloomy skies of today's human consciousness

the new age movement is a twentieth century socio cultural phenomenon in the western world with glastonbury as one of its major centers through experimenting with a number of ways of analyzing this movement the authors were able to develop a novel theory of social religious movements of broad applicability based around contradictions relating to such central anthropological concepts as communitas egalitarianism individualism holism and autonomy it reveals the processes by which having abandoned a mainstream lifestyle people come to build up a counter culture way of life drawing on their own work on tribal shamanistic religions the authors are able to point out interesting similarities between the latter and the glastonbury new age movement not only that their model allows them to explain such wide ranging social and religious movements as the hutterites the kibbutz and green communes in fact the authors argue these movements may be regarded as variations of the glastonbury type

stuart wilde one of the most profound and original thinkers of our time brings us whispering winds of change whispering winds of change will appeal to lovers of alternative ideas and philosophies stuart wilde challenges us to stand outside the usual paradigms of consciousness as fringe dwellers he asks us to observe the dying throes of what he calls the world ego the embodiment of the manipulative and dominating force of the status quo with his characteristic candor and wit he plots a fascinating comparison between the overall global destiny and an individual's personal sacred inner journey wilde believes through quieting the ego and creating a rotation out of the three dimensional world of external reality to the fourth dimension of the inner being we can each offer serenity and healing to ourselves and the rest of the world like his other books this work is full of compelling ideas unusual perceptions and esoteric concepts for individuals who want to progress inwardly while making a success of their lives in the external world

training your brain is the science of changing your negative belief system by reprogramming the subconscious mind in order to change your life's circumstances for the better practicing affirmations of gratitude on a continuous basis teaches us to count our blessing instead of complaining and constantly begging the universe or god for material things and healing that he has given us the power to manifest on our own with the power of our own minds by reprogramming the subconscious to bring about our true birthright as children of the most high creator what makes this book stand out

and different from other self help books is i have discovered the magic of brainwave entrainment and what real hypnosis is really all about and the power of how to reprogram your subconscious mind to undo negative conscious beliefs that have influenced us for all the years we have lived to update

money making is not a serious business it is a game that you play at first it may seem that it is a game that you play with forces outside yourself the economies of the market place so to speak but as you proceed you discover it is actually a game you play with yourself stuart wilde s money book his fifth work deals with the e s p of easy money and the art of being in the right place at the right time with the right idea and the right attitude like his other highly successful books this work is full of useful information his breezy and comical style make for effortless reading as you plot your path to complete financial freedom

the thoughts and ideas in this book form the basis of stuart wilde s philosophy on how to develop a more liberated mind set and thus a more carefree and delightful life the thoughts and essays are from his best selling books as well as his unpublished writings you can just open the book anywhere and start reading usually you ll find that the first few pages you read will feature some helpful hints that are very relevant to some aspect of your current life somehow synchronicity will always lead you to exactly what you need to know so if you want your spiritual concepts short and sweet then this book will suit you perfectly as stuart says any philosophy that you can t haul down to the bank or up to the airport ain t worth having

1 new york times wall street journal and usa today bestseller secrets of the millionaire mind reveals the missing link between wanting success and achieving it have you ever wondered why some people seem to get rich easily while others are destined for a life of financial struggle is the difference found in their education intelligence skills timing work habits contacts luck or their choice of jobs businesses or investments the shocking answer is none of the above in his groundbreaking secrets of the millionaire mind t harv eker states give me five minutes and i can predict your financial future for the rest of your life eker does this by identifying your money and success blueprint we all have a personal money blueprint ingrained in our subconscious minds and it is this blueprint more than anything that will determine our financial lives you can know everything about marketing sales negotiations stocks real estate and the world of finance but if your money blueprint is not set for a high level of success you will never have a lot of money and if somehow you do you will most likely lose it the good news is that now you can actually reset your money blueprint to create natural and automatic success secrets of the millionaire mind is two books in one part i explains how your money blueprint works through eker s rare combination of street smarts humor and heart you will learn how your childhood influences have shaped your financial destiny you will also learn how to identify your own money blueprint and revise it to not only create success but more important to keep and continually grow it in part ii you will be introduced to seventeen wealth files which describe exactly how rich people think and act differently than most poor and middle

class people each wealth file includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth if you are not doing as well financially as you would like you will have to change your money blueprint unfortunately your current money blueprint will tend to stay with you for the rest of your life unless you identify and revise it and that s exactly what you will do with the help of this extraordinary book according to t harv eker it s simple if you think like rich people think and do what rich people do chances are you ll get rich too
