is the essence of the spiritual life performing religious activities such as reading the bible praying witnessing attending church and giving money is it abstaining from a man made list of activities as a result of the wide differences of opinion as to how to live a spiritual life there is confusion in the minds of many christians is the essence of the spiritual life performing religious activities such as reading the bible praying witnessing attending church and giving money is it abstaining from a man made list of

activities is a crisis experience such as full surrender the key to the spiritual life is the believer to get going or let go and let god in other words is the means of the spiritual life active or passive after studying in detail and preaching through every book of the new testament g michael cocoris wrote the spiritual life clarifying the confusion it clarifies the confusion by giving a comprehensive explanation of what the new testament teaches about the spiritual life from its foundation to goal it demonstrates that the new testament model of the spiritual life is growth from spiritual immaturity to spiritual maturity and explains in detail what christ like spiritual maturity is as well as what is the means to obtain it

the purpose of this work is to unfold the meaning of the spiritual life and the meaning of emotional suffering in order to speak to those who see no meaning in their pain and by this to provide the reality of a healing effect writes robert fabing to this end the author examines the spiritual life movement toward god and its meaning positing emotionality as its essential ingredient to know god is to know ourselves completely inside and out journeying to the dark recesses of our unconscious the seat of emotional and psychological strife and ascending to the light of consciousness with the help of reflective prayer and insight that leads to healing union with god and holiness in short the spiritual life is an emotional journey toward self knowledge in the company of god complete with spiritual and psychological resources explications of the problems and stages of the spiritual journey and end chapter questions and bibliographies as well as an overall bibliography at the end of the book the author provides a comforting inspirational and well considered guide for individual or group sojourners working through and seeking meaning from the pain of the spiritual quest

excerpt from the spiritual life studies in the science of religion the studies here presented have been undertaken in response to a conviction that in the interest of both science and religion a new intellectual attitude is necessary with respect to the facts of the spiritual life the religious processes taking place around us and within us must be observed with all the precision that modern psychological methods and tools render possible for whatever else religion may or may not be it is at least a mass of ascertainable states of consciousness and in the absence of information to the contrary we must presume that such states can be analyzed and described and that their relations to one another and to the recognized laws of the mental and bodily life can be to some extent determined what is needed is an examination of the facts as such without reference to their possible bearing upon theology or philosophy until this work is done there will remain an important gap in the scientific knowledge of man for clearly it is the humanity that now is that gives us our problems concerning mans origin and development and that necessarily controls and tests our hypotheses about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

in attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with christ i have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life although spiritual life is not meritoriously attained through natural means or human effort there are several

practical steps that can be taken to help facilitate the practice of spiritual disciplines the combination of these practical steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with god man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose agape love requires a soul to empty the wealth of its humanity upon the altar of god as a willing sacrifice if determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion divine pleasure must be the goal of human effort not divine favor the genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules it does not take overtly carnal acts to corrupt the days of a mans life for inattention and idleness produce the same result as evil actions or wicked intentions liberty must always precede service if either are to be authentic it is our great love for the father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to god
