across the centuries probably no passage of scripture has been repeated more by christians than the lord's prayer despite its prevalence the depth of its meaning is often overlooked the book uniquely reviews this fundamental prayer using logical reasoning to elicit deeper thought concerning the purpose of this prayer when we methodically analyze the lord's prayer in this way we see that each petition in the prayer builds upon the next to establish not only a theological framework for our prayer lives but a foundation for how we may become more complete christians therefore this book analyzes not just the meaning of the words in the lord's prayer but also the general implications of each petition and the personal responsibility each petition entails on christians
