this unique manual was developed to help parents assist their children in dealing with bullying situations the book promotes an understanding of the nature and extent of bullying the physical emotional and educational consequences to children who are targets of bullying who do the bullying or who as bystanders are directly affected by witnessing bullying and victimization

the federal special prosecutor unprincipled abuser of power or staunch defender of the law as kathy harriger shows the special prosecutor was a hotly debated and controversial subject throughout much of its existence this was especially true she argues during the lengthy expensive and highly politicized investigations of lawrence walsh and kenneth starr into allegations concerning presidents ronald reagan and bill clinton harriger offers the most complete assessment available of the use of special prosecutors in the post watergate era she analyzes the independent counsel s role within the framework of the separation of powers explaining how each has interacted with other key players in the political and legal system and showing how those relationships have affected the prosecutor s ability to conduct investigations harriger s previous edition focused on the legacy of watergate but was published before walsh s iran contra investigations were concluded her new study adds substantially more information on iran contra provides a clearheaded appraisal of starr s sensationalized whitewater lewinsky investigations examines a number of senior level cabinet probes and critiques and clarifies the role of attorney general janet reno in these latter matters a completely new chapter compares iran contra and whitewater lewinsky to explore the limits of the law in the special prosecutor s efforts in this new edition harriger includes 20 new interviews with washington insiders including one with kenneth starr and covers the debates that led to both the reauthorization of the independent counsel statute in 1994 and its demise in 1999 she then examines the pros and cons of the office and offers constructive suggestions for improvement should it be revived for students scholars and concerned citizens her book takes us well beyond frenzied media hype and partisan politics to provide a timely reminder about the crucial role of separation of powers in our system of governance

this is the most comprehensive directory of programs services curriculum materials professional meetings resources camps newsletters and support groups for teachers students and families concerned with learning disabilities this edition is distinguished by its recognition by the national center for learning disabilities as well as a glossary of terms this information packed directory includes information about associations organizations schools colleges testing materials government agencies legal resources and much more for quick easy access to information this directory contains three indexes entry name index subject index and geographic index with every passing year the field of learning disabilities attracts more attention and the network of caring committed and knowledgeable professionals grows every day this directory is an invaluable research tool for these parents students and professionals

leading experts on teaching and policy research provide concrete illustrations of what teaching for understanding entails

a travel series unlike any other insight guides go beyond the sights and into reality their incomparable photojournalistic approach captures the uniqueness of each culture they cover their traditions their arts their history their lives the stunning photography is married to compelling text written by local writers the people most qualified to convey their culture s secrets yes insight guides will tell you which attractions to visit but they ll also tell you a whole lot more from the most popular resort cities to the world s most remote and exotic villages insight guides will give you the insider s perspective you need to truly experience any destination you visit insight guides serve many purposes they are ideal for planning a trip and they re wonderful souvenirs to treasure for years after even the armchair traveler can be swept away by their magnificent content and experience the world from the comfort of home many international and domestic and domestic destinations also offer companion fleximaps an innovative laminated folding map specially designed for the discriminating traveler

although a majority of americans are aware that they need a will about 70 percent of americans don t have one the irony is that the legalities involved are not very complicated most people can get by with a good self help book estate planning is largely the same a comprehensive plan to avoid probate or save on estate taxes doesn t usually require a lawyer most basic estate planning documents are easy and safe to prepare but again with the help of a good self help book in the third edition of the complete idiot s guide to wills and estates readers will find a complete inventory of everything to consider and include in estate planning how a will fits in to an estate plan and what to consider and include how trusts work and whether you need one tax considerations for every aspect of an estate plan
