this short introduction provides a clear and succinct account of the evolution of indian foreign policy over six decades since independence it explains how the three approaches to the study of international politics decision making systemic global and national domestic have helped in formulating and implementing india s foreign policies the five chapters cover the ideational period starting immediately after independence and ending with the sino indian border war of

1962 the period between 1962 and the end of the cold war india s greater acceptance of the importance of material capabilities following the end of the cold war and current trends and debates in indian foreign policy unresolved tensions and the possible way ahead

this volume brings together cutting edge research in the field of indian foreign policy both at the theoretical and empirical level

india s foreign policy out of the structural confines of the cold war strategic framework has become more expansive in defining its priorities over the last few years with the rise of its economic and military capabilities and strategic interests india has shaped a diplomacy that is much more aggressive in the pursuit of those interests tracing the trajectory of india s foreign policy in the 21st century this book examines the factors that have shaped the indian response towards this emerging international security environment including a new afterword this updated volume looks at the major influences that have shaped india s foreign policy in recent years in the context of its engagements with strategically important regions across the globe and its relations with major global powers the volume will prove invaluable to those studying politics and international relations diplomatic and political history defence and military studies and south asian studies

this volume examines the origins and evolution of india s foreign policy from 1947 to the present day it focuses on india s foreign relations with a number of key regional states bangladesh pakistan and sri lanka adjoining regions the middle east and southeast asia and the great powers the united states russia and the people s republic of china all the chapters utilize the level of analysis approach a well established conceptual scheme drawn from the theoretical study of international politics in organizing the substantive cases in the introductory chapter the editor carefully spells out the intellectual antecedents of the level of analysis framework and discusses its utility for the case studies india s foreign relations are undergoing a fundamental transformation and yet there is an acute paucity of theoretically informed and empirically rich work on the subject this volume seeks to address that important lacuna and will be of interest to journalists analysts and scholars interested in understanding the foreign policy of an emergent power book jacket

russia s leadership in establishing the brics group brazil russia india china and south africa is emblematic of its desire to end us hegemony and rewrite the rules of the international system rachel s salzman tells the story of why russia broke with the west how brics came together why the group is emblematic of russia s challenge to the existing global order and how brics has changed since its debut the brics group of non western states with emerging economies is

held together by a shared commitment to revising global economic governance and strict noninterference in the internal affairs of other countries brics is not exclusively a russian story but understanding the role of brics in russian foreign policy is critical to understanding the group s mission in a time of alienation from the euro atlantic world brics provides russia with much needed political support and legitimacy while the longterm cohesion of the group is uncertain brics stands as one of vladimir putin s signature international accomplishments this book is essential reading for scholars and policymakers interested in russian foreign policy the brics group and global governance

this book provides a fairly extensive survey of indiaas foreign relations with key states in the region with emerging powers and with the great powers it also relies on the levels of analysis as its organizing framework

despite post cold war arguments about their demise great powers not only continue to thrive with lesser powers they form the basis of the constellation of global politics this topical new handbook illustrates how and why the new international order has evolved and is still evolving since the end of the cold war through the application of diplomacy and statecraft including cutting edge contributions from over 40 scholars the handbook is structured around seven sections context of diplomacy great powers middle powers developing powers international organisations and military alliances international economy issues of conflict and co operation through analysis of a wide range of case studies the handbook assesses the diplomacy and statecraft of individual powers offering insights into how they function their individual perception of national interests and the roles they play in modern statecraft the contributors also seek to evaluate the organizations and contemporary issues that continue to influence the shaping of the new international order a comprehensive survey of diplomacy across the world this work will be essential reading for scholars and professionals alike

besides the researchers this bibliography should also meet the need of diplomats parliamentarians and journalists interested in india s foreign policy and relations this volume with easy to locate 9416 entries lists books periodicals articles theses dissertations official records and other materials published in english language

jair journal of international relations jair j int relat is a biennial peer reviewed refereed journal of international relations published by the jadavpur association of international relations with the financial assistance from the indian council of social science research icssr new delhi

contributed articles

states today are far more engaged in diplomacy than ever before actively building relations with other states to harness their mutual commercial and cultural strengths prime minister narendra modi s outlook to global affairs is no different yet there is a nuanced approach in linking india s foreign policy to domestic transformation while on the one hand his policies seek to attract foreign capital technology and open foreign markets for indian products on the other they are geared towards regional stability peace and prosperity all events are texts to be analysed and the authors in this volume do so but emphatically underline that india s diplomacy under modi has got a go getting edge that it is no longer foreign anymore but a matter of public affairs and that with modi at the helm india is set to leverage its role and make itself a diplomatic superpower the nuanced and thought provoking essays by some of the most well respected analysts and practitioners of diplomacy make this book a must read for not just professionals and serious readers but for the uninitiated as well

detailed analysis of india s foreign policy from 1980 s onwards and reaction and suggestion of the bharatiya janata party

this work seeks to determine indian policy in the asean region over the period 1967 1995 within the framework of a derived relationship the year 1967 is chosen as the starting point as the asean came into existence then the study concludes with a discussion of recent developments in this 28 year relationship

contributed articles on history of the study of india in the united states and contributions of the study of india to various academic disciplines
