north africa has been a vital crossroads throughout history serving as a connection between africa asia and europe paradoxically however the region s historical significance has been chronically underestimated in a book that may lead scholars to reimagine the concept of western civilization incorporating the role north african peoples played in shaping the west phillip naylor describes a locale whose transcultural heritage serves as a crucial hinge politically economically and socially ideal for novices and specialists alike north africa begins with an acknowledgment that defining this area has presented challenges throughout history naylor s survey encompasses the paleolithic period and early egyptian cultures leading readers through the pharonic dynasties the conflicts with rome and carthage the rise of islam the growth of the ottoman empire european incursions and the postcolonial prospects for egypt libya tunisia algeria morocco and western sahara emphasizing the importance of encounters and interactions among civilizations north africa maps a prominent future for scholarship about this pivotal region now with a new afterword that surveys the north african spring uprisings that roiled the region from 2011 to 2013 this is the most comprehensive history of north africa to date with accessible in depth chapters covering the pre islamic period through colonization and independence

mali is currently the seventh largest country in africa it shares borders with mauritania and senegal in the west algeria in the north guinea and ivory coast in the south and burkina faso and niger in the east after decades of dictatorship in 1992 a new democratic constitution was adopted and today mali is one of the most politically and socially stable countries in africa while mali still has a long way to go with their economy they are considered to be among the 10 poorest countries in the world they continue to make progress and their increase in cereal and gold production are steps in the right direction the fourth edition of the historical dictionary of mali through its chronology bibliography introductory essay and over 500 cross referenced dictionary entries on important persons places events and institutions and significant political economic social and cultural aspects provides an important reference on this african country

mali is one of the world s poorest nations and the second largest country of francophone west africa in 1883 it became a colony of france following independence in 1960 the country

pursued an aggressive socialist programme under the leadership of modibo keita who was overthrown in a bloodless military coup in 1968 four coup attempts followed in the 1970s and 1980s as well as a highly publicized student strike and two disastrous droughts mali continues to be troubled by political and social tensions this annotated bibliography the first on mali to be published in english provides extensive coverage of english and french language publications on all aspects of the country

this ground breaking volume pushes back conventional dating of the earliest sedentarisation urbanisation and state formation in the sahara

the g5 sahel countries burkina faso mali mauritania niger and chad will organize elections in 2020 and 2021 these elections will take place in a context in which all are facing serious humanitarian and security challenges aggravated by the fragility of their institutions the spread of the covid 19 pandemic and its socio economic impacts worsen the situation and even raise questions about the possibility to organize elections in so volatile an environment this guide has been developed to assist decision makers and practitioners in this context it provides an overview of 26 process related risk factors that can trigger or contribute to triggering election related violence these internal risk factors are election specific and do not exist outside of the electoral context they relate to electoral actors events practices and materials that can undermine the credibility of electoral processes or in the worst case scenario trigger or contribute to triggering election related violence

the corpus enables in depth study of the coherence of and variation within the sunjata epic oral tradition it presents a rich evocation of this still living performance tradition during almost the entirety of the western sudan s turbulent period of european colonial control from the late 1880s to 1959

now in its 4th edition this popular text for secondary social studies methods courses integrates discussions of educational goals and the nature of history and social studies with ideas for organizing social studies curricula units lessons projects and activities a major theme throughout is that what teachers choose to teach and the way they teach reflect their broader understanding of society history and the purpose of social studies education advocating an inquiry and activity based view of social studies teaching that respects the points of view of

students and teachers and based in practice and experience it offers systematic support and open honest advice for new teachers each chapter addresses a broad question about social studies education sub chapters begin with narrower questions that direct attention to specific educational issues lesson ideas and materials in the book and online are especially designed to help new teachers to address common core learning standards to work in inclusive settings and to promote literacy and the use of technology in social studies classrooms chapters include highlighted learning activities teaching activities and classroom activities designed to provoke discussion and illustrate different approaches to teaching social studies and conclude with recommendations for further reading and links to on line essays about related social studies topics activities are followed by four categories think it over add your voice to the discussion try it yourself and it s your classroom all of these are supported with online teaching material designed for undergraduate and graduate pre service social studies methods courses this text is also useful for in service training programs as a reference for new social studies teachers and as a resource for experienced social studies educators who are engaged in rethinking their teaching practice new in the fourth edition provides a number of new lesson ideas paired with online lesson plans and activity sheets in every chapter takes a new focus on data driven standards based instruction especially in relation to the common core curriculum addresses the interactive nature of learning in updated technology sections reflects current trends in history education includes more of what the author has learned from working teachers offers a wealth of additional on line material linked to the text

there is a paradox about africa it remains a subject that attracts considerable attention yet rarely is there a full appreciation of its complexity african historiography has typically consisted of writing africa for europe instead of writing africa for itself as itself from its own perspectives the history of africa redresses this by letting the perspectives of africans themselves take center stage authoritative and comprehensive this book provides a wide ranging history of africa from earliest prehistory to the present day using the cultural social political and economic lenses of africa as instruments to illuminate the ordinary lives of africans the result is a fresh survey that includes a wealth of indigenous ideas african concepts and traditional outlooks that have escaped the writing of african history in the west the new edition includes information on the arab spring the rise of francfrica the presence of the chinese in africa and the birth of south sudan the chapters go up to the present day addressing us president barack obama s policies toward africa a new companion website provides

students and scholars of africa with access to a wealth of supporting resources for each chapter including images video and audio clips and links to sites for further research this straightforward illustrated and factual text allows the reader to access the major developments personalities and events on the african continent this groundbreaking survey is an indispensable guide to african history

a weekly review of politics literature theology and art
