*John Mcleod Campbell*

in this accessible resource author david l allen carefully summarizes the doctrine of the atonement with definitions of key terms discussion of key old and new testament texts and a survey of the historical theories of the atonement

in christ's doctrine of the atonement george smeaton presents a thorough and illuminating study of jesus teachings on the central truth of christianity the atonement drawing solely from the sayings of christ recorded in the gospels smeaton carefully examines the necessity nature and far reaching effects of the atonement shedding light on the heart of the christian faith this work offers a comprehensive exploration of the doctrine covering topics such as sin covenant redemption and reconciliation making it an invaluable resource for those seeking a deeper understanding of christ's atoning work and its significance for the believer's life

james k beilby and paul r eddy edit a collection of essays on four views of atonement the healing view the christus victor view the kaleidoscopic view and the penal substitutionary view this is a book that will help christians understand the issues grasp the differences and proceed toward a clearer articulation of their understanding of the atonement

in this seminal work george smeaton offers a thorough examination of the new testament doctrine of the atonement drawing from the teachings of jesus and the apostolic writings smeaton presents a biblico historical view of christ's atoning death focusing on its nature constituent elements and fruits he engages with various interpretations and subtle errors ultimately demonstrating the centrality of substitution and penal visitation in the biblical understanding of the atonement this volume along with its predecessor on the sayings of jesus provides a comprehensive study of the new testament teaching on this crucial doctrine making it an invaluable resource for scholars pastors and all those seeking a deeper understanding of christ's redemptive work

a short history of the doctrine of the atonement by laurence william grensted first published in 1920 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

the christian understanding of the meaning of the death of jesus christ and its relationship to the salvation of sinful humanity is currently the subject of intense debate and criticism in this volume professor i howard marshall discusses the nature of the human plight in relation to the judgment of god and then offers a nuanced defence of the doctrine of substitutionary death of jesus christ for sinners professor marshall shows that the resurrection of christ and not simply his death is an integral part of the process whereby sinners are put in the right with god in the

final chapter is argued that in our communication of the gospel today the new testament concept of reconciliation may be the most comprehensive and apt expression of the lasting significance of the lasting significance of christ from back cover

a theology of the atonement should move one to worship and prayer j mcleod campbell does exactly that much in harmony with the renewed interest in the trinity mcleod campbell reawakens the doctrine of the atonement the sleeping giant of christian doctrine with its rich implications for spirituality and ministry the church today needs a new biblical paradigm of the atonement as the development of the incarnation of god and therefore as the manifestation of god as love writing out of a theological and pastoral concern for his congregation mcleod campbell wonderfully weaves together theology and practice doctrine and spirituality in a way second to none the doctrine of the atonement lives again in this warmly devotional and theologically rich work christian d kettler friends university

robert paul presents his study of the atonement in three sections the first covers the period from the apostolic fathers on through the scholastic and reformation writers to the eighteenth century the second begins with the evangelical revival and brings the history of thought on the atonement down to our own day the third leads on from an atonement centered theology to its dramatic expression in and through the gospel sacraments two comprehensive chapters on baptism and the lord s supper bring the book to its conclusion here is an excellent historical survey of the doctrine of the atonement for the student

reprint of the original first published in 1837

in the wake of suggestions that the doctrine of the atoning death of christ did not come into being in the earliest stages of christianity martin hengel forcefully argues with impeccable scholarship that the doctrine can be traced back to the earliest church indeed to the sayings of jesus himself in the first part of this examination hengel explores a wide area of classical antiquity would it have made sense to greeks and romans of the first century to say that jesus had died for them were there points of contact in their traditions surveying greek and latin literature hengel shows just how widespread the theme ḍying for actually was from homer through the greek tragedians and orators to plutarch livy and caesar the second part of the book is devoted to tracing the doctrine of atonement moving back from the letters of paul through the pre pauline tradition to jesus
