honest transparent and realistic his approach offers insights advice and sensible strategies to stop procrastinating and start writing neil foote principal lecturer mayborn school of journalism in his debut title write like you mean it award winning journalist and content writer steve gamel dives into his best advice for writers that he has gathered over the years with stories from his early years and frequent foibles as a journalist gamel equips aspiring writers with trade tips to learn tools to utilize and lessons to write stronger content he has designed a book that is useful to all kinds of writers first time writers veteran writers nonfiction writers fiction writers freelance writers college writers high school writers writers who own their own business and so forth simple steps in each chapter break down the productivity practices of creatives the organization needed to get to the finish line and the purpose behind it all drawing readers in with quality content and style he discusses the intentional processes behind organizing ideas conducting interviews beating writer s block networking editing and publishing whether you re an old hand at writing a novice or a college professor aspiring to write full time this book is for you so you too can write like you mean it blazes a trail for aspiring writers provides numerous practical tips and suggestions to help you deal with the challenges of writing and getting published tim stevenson master sherpa executive coach and author of better steve does a great job of laying things out in an easy format

that communicates good information to the reader which is what writing is all about ben baby nfl and boxing reporter espn

how to write anything the format of what you write may change but the process of writing anything remains the same this book is called how to write anything and i confess there is some ego involved in the title but then i ve been a professional writer for over 40 years as one of canada s most successful writers and authors i have written hard news articles soft news and feature articles advertising and promotional copy media releases reports and proposals case studies research papers email messages website content tweets blog posts and other online content i have also written over 20 books on business promotional and online writing and other topics such as writing articles memoir writing and living with multiple sclerosis a disease that i have but one that has not prevented me from writing or training i ve also written a collection of short stories poetry and a couple of plays so while i haven t written everything i ve written many things the fact is that you can t read this book and go forth and write anything if you are not familiar with the format or structure of the document that you want to write be it non fiction or fiction for instance if you want to write a report you do so using the methods in this book however you have to know how to structure reports the same is applicable to email social media content articles promotional content case studies reports white papers powerpoint presentations speeches website content short stories or novels so some of you reading this book might still have some learning to do however i suspect most of you know the structure of the documents you want to produce and you will be able to immediately apply the methods outlined in the book to writing any document that you need to write

*i hate writing* may be the only page turner textbook out there j m bohannon gives her readers invaluable writing advice using an uplifting modern voice tinged with humor she takes her readers through the stages of writing a paper giving detailed advice on how to find topics turn ideas into words and organize those words into coherent paragraphs with seamless transitions she shows her readers how to revise their own work and through her critical q s teaches them to become critical readers she also explains how to find outside sources and how to include those sources in a paper too many students approach writing at the university level as a scientist approaches a volatile experiment with protective suit goggles gloves and forceps they struggle to write without contaminating that writing with anything resembling personality don t let that student be you your unique voice should blast through your writing letting everyone know there s a person behind your words

*i have a faith in language* said the poet w s merwin it s the ultimate achievement that we as a species have evolved so far language is a deep ocean of living words as varied as undersea life it is a gift inherited by each person when he or she is born it can be corrupted and regulated but it cannot be owned it is an enormous complex inexhaustible gift the soul of creative writing is a tribute to language and to its potentials it explores the elements of language style rhythm sound and the choice of the right word richard goodman paints an image of how language can produce a life and meaning that otherwise cannot exist in the symbols themselves goodman s stunningly creative collection was written after a lifetime of working and struggling with language he collects rich examples from writers of the past and present both great and small and uses them to illustrate how each element of our written language can be used the book

begins with an analysis of words and how they can be used to create music on the page goodman uncovers the strength of words writing about the shades of meaning that make the search for the exact word both arduous and immensely rewarding he discusses how to find the proper title and how to find a fitting subject he show how to create nonfiction work that is vivid and memorable through the use of the same techniques fiction writers employ goodman s volume is written with humor and clarity with fascination and reverence writers will find it an indispensable source of creative inspiration and instruction in goodman s words reading is a tour of a writer s efforts at manipulating language to create art to create flesh and blood and mountains cities homes and gardens out of inky symbols on the page to literary critics this book will be a guide to understanding the tools and devices of great writing

learn how to write for the results you want every time in every medium do you wish you could write better in today s business world good writing is key to success in just about every endeavor writing is how you connect with colleagues supervisors clients partners employees and people you ve never met no wonder strong writers win the jobs promotions and contracts business writing for dummies shows you from the ground up how to create persuasive messages with the right content and language every time messages your readers will understand and act on this friendly guide equips you with a step by step method for planning what to say and how to say it in writing this sytem empowers you to handle every writing challenge with confidence from emails to proposals reports to resumes presentations to video scripts blogs to social posts websites to books discover down to earth techniques for sharpening your language and correcting your own writing problems learn how to adapt content tone and style for each
