then spoke jesus again unto them saying i am the light of the world he that follows me shall not walk in darkness but shall have the light of life john 8 12 light is a precious commodity that god s creatures sometimes take for granted as we open read and study his word we learn about two kinds of light there is a physical light provided by the natural power of the sun or the artificial light that enables us to see those things that are apparent with good eyesight then there is a spiritual light that enables those who are born into god s family by the power of his spirit to see things that are not visible to the naked eye to discern both the physical and spiritual things wisely we need proper light this ten week devotional study will take the reader from genesis to revelation using all the biblical texts of the king james version that include the word light from the beginning of the old testament to the ending of the new testament we find the source of light the reason for light the power of light and more than you will expect in one study available in print and kindle this is the first of the series what the holy bible says if you want to be enlightened through your sense of physical sight open god s word with this study and you will learn more of god s power in the spiritual light that he gives us as his children invite others to join you in a group study if you want more insight and joy as you search god s word for he enlightens us individually so as to share with others there is no commentary with this study but the prayer of the author that you will find guidance from the holy spirit through the study of god s word for your understanding you might also consider reading the garden of god s word the purpose and delight of bible study by the same author this book and others from father and family books are published for the express purpose of proclaiming the legacy of god s kingdom majority of proceeds from sales will be used for local and universal missions and charity as one who knows of this legacy you will not only be growing in your faith but also enabling others to know how to use both physical and spiritual eyes to learn the truths of god s word
