analyzes curricula pedagogical approaches actors and socio economic and institutional contexts of social work management at higher education institutions

a typical image of the making and administration of policy suggests that it takes place on an incremental basis involving public servants their ministers and to a more limited extent a variety of interest groups yet much policy making is based on similar policy developed in other jurisdictions and in the major international organizations such as the wto and the oecd in other words significant aspects of nationally developed policies are copied from elsewhere in what is described as a process of policy transfer and learning hence studies of policy transfer have pointed to a distinct limitation in most existing theoretical and empirical explanations as to how policy is made and implemented through their neglect of the role of policy transfer and learning moreover policy transfer is not only a concern of academics but a growing concern for governments the latter are concerned to improve the performance of their policy and several have placed a greater more systematic focus on policy transfer as a means to increasing performance this book presents a variety of cases from differing national and international contexts that enable a valuable comparative analysis that is absent from most literature currently available and that suggest a number of exciting research directions with implications for policy making transference and implementation in the future

how can we help children to become independent learners the third edition of this invaluable companion for early years practitioners provides a broad ranging and up to date review of current thinking and best practice within foundation stage and key stage 1 education based on the basic truth that an effective early years curriculum must start with the children this book focuses on their needs and their potential the best teaching must have a strong element of fun wonder and excitement david whitebread and penny coltman show how play is a crucial part of this each chapter combines a review of important principles with practical and inspiring classroom examples this third edition has been fully revised and updated in light of the introduction of the early years foundation stage and includes completely new chapters concerned with classroom organisation to support independent learning outdoor learning speaking and listening and mathematics in the early years the authors review all major areas of the foundation stage and key stage 1 curriculum and a range of basic issues and principles including an analysis of current research into how children learn discussions of general issues such as classroom organisation curriculum management and assessment a detailed section on play and language chapters covering individual curriculum areas across all six foundation stage areas of learning and across the areas of the key stage 1 national curriculum the book is essential reading for all
