the authorized ender companion is a complete and in depth encyclopedia of all the persons places things and events in

Orson Scott Card's Ender universe written by Jake Black under the editorial supervision of Card himself. The authorized Ender companion will be an invaluable resource for readers of the series. If you ever wondered where Ender went after he left Earth before he arrived at Lusitania, you'll find the answer here. If you ever wondered how the Battle Room worked, you'll find the answer here. If you forgot the names of the people who discovered the Descolada, the answer is here. The history of gloriously bright S.W.'s world. Here, the authorized Ender companion contains all that and more. There are character biographies, time lines, colony histories, and family trees. At the publisher's request, this title is being sold without digital rights management software (DRM) applied.

Sometimes called the literature of ideas, science fiction is a natural medium for normative political philosophy. Science fiction's focus on technology, space, and time travel, non-human lifeforms, and parallel universes cannot help but invoke the perennial questions of political life, including the nature of a just social order and who should rule, freedom, free will, and autonomy, and the advantages and disadvantages of progress, rather than offering a reading of a work inspired by a particular thinker or tradition. Each chapter presents a careful reading of a classic or contemporary work in the genre—a novel, short story, film, or television series—to illustrate and explore the themes and concepts of political philosophy.

Child hero Ender Wiggin must fight a desperate battle against a deadly alien race if mankind is to survive.

Included in this Orson Scott Card ebook bundle is the first volume of two beloved series: the Ender saga and the Shadow series. Ender's Game: Andrew Ender Wiggin thinks he is playing computer-simulated war games at Earth's elite military academy, the Battle School. He is in fact engaged in something far more desperate. Ender may be the military genius Earth desperately needs in a war against an inscrutable alien that seeks to destroy all human life. The only way to find out is to throw Ender into ever harsher training to chip away and find the diamond inside or destroy him utterly. Ender Wiggin is six years old when it begins; he will grow up fast. Ender's Game is an international bestseller, read and loved by generations. It has been named one of the top ten science fiction novels of all time. Ender's Shadow: Andrew Ender Wiggin was not the only child in the Battle School; he was just the best of the best. In Ender's Shadow, Card tells the story of another of those

precocious generals the one they called bean the one who became ender's right hand part of his team in the final battle against the buggers bean's past was a battle just to survive his success brought him to the attention of the battle school's recruiters those people scouring the planet for leaders tacticians and generals to save earth from the threat of alien invasion bean was sent into orbit to the battle school and there he met ender at the publisher's request this title is being sold without digital rights management software drm applied
