we have worked hard to update business communication from its 12th edition to its 13th we have added new content that instructors have asked for such as examples of business plans and sales proposals and elaborated discussion of social media use for business we ve updated content particularly in relation to communication during the covid 19 pandemic we have painstakingly cut repetitious content streamlining each section within each chapter so that it makes its point clearly and efficiently we have also reorganized regrouping like with like so that students can more readily find the content they need we ve also used singular they

them and their as generic third person pronouns when the pronoun referent is indefinite for example everyone and when a person's gender is unknown in accordance with apa style and we've simplified the page layout eliminating unnecessary design elements such as horizontal lines before and after bulleted lists in short we have overhauled the textbook to create a modernized and elegant 13th edition

established as the foremost textbook on communication the seventh edition of owen hargie's skilled interpersonal communication is thoroughly revised and updated with the latest research findings theoretical developments and applications the contribution of skilled interpersonal communication to success in both personal and professional contexts is now widely recognised and extensively researched people have a deep seated and universal need to interact with others and the greater their communicative ability the more satisfying and rewarding will be their lives the main focus of this book is on the identification analysis and evaluation of the core skills needed in these interactions the first two chapters provide details of the nature of interpersonal communication and socially skilled performance respectively with a review of the main theoretical perspectives pertaining to each the book then offers detailed accounts of the fourteen main skill areas nonverbal communication reinforcement questioning reflecting listening explaining self disclosure set induction closure assertiveness influencing negotiating and interacting in and leading group discussions the book concludes with a discussion on the ethical issues in interpersonal communication this new edition also features an extended section on groupthink and analyses the impact of the coronavirus pandemic on aspects such as greeting patterns and the effectiveness of project fear by the uk government to secure citizen compliance written by one of the foremost international experts in the field this is essential reading for students of interpersonal communication in general and to qualified personnel and trainees in many fields

this book basic business and administrative communication is written with the ultimate aim of providing readers with basic business communication and administrative concepts the book considers communication as a vital tool to the success of every business and therefore presents in depth coverage of the following topics overview of communication models of communication context levels media and barriers to communication lines of communication oral communication non verbal communication listening in business communication essentials of effective business writing written communication job hunting preparing resumes and interview guidelines meetings as an administrative function in organisations requisites of valid meetings roles of the secretary and chairperson at meetings report writing the role of information communication technology in business communication the author recognises the importance of skill development and provides practical examples of business documents such as business letters memos and itinerary that readers can follow to create their own to maximise their effectiveness and contribute to organisational success the book is essential reading material for undergraduate and higher national diploma business students
