this is a pathbreaking study of tejano ranchers and settlers in the lower río grande valley from their colonial roots to 1900 the first book to delineate and assess the complexity of mexican anglo interaction in south texas it also shows how tejanos continued to play a leading role in the commercialization of ranching after 1848 and how they maintained a sense of community despite shifts in jurisdiction the tradition of tejano land holding acted as a stabilizing element and formed an important part of tejano history and identity the earliest settlers arrived in the 1730s and established numerous ranchos and six towns along the river through a careful study of land and tax records brands and bills of sale of livestock wills population and agricultural censuses and oral histories alonzo shows how tejanos adapted to change and maintained control of their ranchos through the 1880s when anglo encroachment and changing social and economic conditions eroded most of the community s land base

in this biography of petra vela kenedy the authors not only tell her story but also relate the history of south texas through a woman s perspective utilizing previously unpublished letters journals photographs and other primary materials the authors reveal the intimate stories of the families who for years dominated governments land acquisition commerce and border politics along the rio grande and across the wild horse desert

this work provides a revealing look at the history of hispanic peoples in the american west or from the mexican perspective el norte from the period of spanish colonization through the present day hispanics in the american west portrays the daily lives struggles and triumphs of spanish speaking peoples from the arrival of spanish conquistadors to the present highlighting such defining moments as the years of mexican sovereignty the mexican american war the coming of the railroad the great mexican migration in the early 20th century the great depression world war ii the chicano movement that arose in the mid 1960s and more coverage includes hispanics of all nationalities not just mexican but cuban puerto rican salvadoran and guatemalan among others and ranges beyond the traditional

hispanic states texas california arizona new mexico and colorado to look at newer communities of spanish speaking peoples in oregon hawaii and utah the result is a portrait of hispanic american life in the west that is uniquely inclusive insightful and surprising

the dramatic life of vietnam war hero roy benavidez revealing how hispanic americans have long shaped us history from a major new voice with lyrical powers as a biographer david w blight pulitzer prize winning author of frederick douglass in may 1968 while serving in vietnam master sergeant roy benavidez led the rescue of a reconnaissance team surrounded by hundreds of enemy soldiers he saved the lives of at least eight of his comrades that day in a remarkable act of valor that left him permanently disabled awarded the medal of honor after a yearslong campaign benavidez became a highly sought after public speaker a living symbol of military heroism and one of the country s most prominent latinos now historian william sturkey tells benavidez s life story in full for the first time growing up in jim crow era texas benavidez was scorned as mexican despite his family s deep roots in the state he escaped poverty by enlisting in a desegregating military and was first deployed amid the global upheavals of the 1950s even after receiving the medal of honor benavidez was forced to fight for disability benefits amid reagan era cutbacks an unwavering patriot alternately celebrated and snubbed by the country he loved benavidez embodied many of the contradictions inherent in twentieth century latino life the ballad of roy benavidez places that experience firmly at the heart of the american story

a revisionist account of the tejano experience in south texas from its spanish colonial roots to 1900

through the dedicated intervention of lulac and other mexican american activist groups the understanding of civil rights in america was vastly expanded in the late 1960s and early 1970s mexican americans gained federal remedies for discrimination based not simply on racial but also on cultural and linguistic disadvantages generally considered one of the more conservative ethnic political organizations lulac had traditionally espoused nonconfrontational tactics and had insisted on the identification of mexican americans as white but by 1966 the changing civil rights environment new federal policies that protected minority groups and rising militancy among mexican

american youth led lulac to seek federal protections for mexican americans as a distinct minority in that year lulac joined other mexican american groups in staging a walkout during meetings with the equal employment opportunity commission in albuquerque in this book craig a kaplowitz draws on primary sources at both national and local levels to understand the federal policy arena in which the identity issues and power politics of lulac were played out at the national level he focuses on presidential policies and politics since civil rights has been preeminently a presidential issue he also examines the internal tensions between lulac members ethnic allegiances and their identity as american citizens which led to lulac s attempt to be identified as white while paradoxically claiming policy benefits from the fact that mexican americans were treated as if they were non white this compelling study offers an important bridge between the history of social movements and the history of policy development it also provides new insight into an important group on america s multicultural stage

presents alphabetically arranged entries on issues concerning the u s southwestern states and northern mexican states that share a common border covering such topics as coyotes who help smuggle illegal aliens across the border to the minutemen american volunteers who patrol the border to the north american free trade agreement

in its four volumes 650 entries 2000 pages and 1 2 million words encyclopedia latina explores every aspect of latino life in america from a myriad of perspectives spanning the arts media cuisine government and politics science and technology business health and sports among others while the collection represents an important cultural point of reference and source of pride for latino youth it will also serve the interests of an increasingly diverse american population who can all relate to the themes and stories included in this resource

uses the garza rebellion on the texas mexico border to analyze economic and social change in this region internationalizing u s history with its examination of a transborder area within the larger histories of mexico and the united states
