demystifying global macroeconomics dgm provides readers with a practical working use of international macroeconomics for serious business and political leaders understanding the global interconnections in economic and financial markets is crucial for making informed and well timed decisions dgm takes the mystery out of seemingly complex economic interactions by providing an easy to understand framework within which to analyze the effects of economic social and political shocks to a nation s economy john e marthinsen integrates the three major macroeconomic sectors which are the credit market goods and services market and foreign exchange market the author provides the reader with contemporary examples that virtually leap off the front pages of our daily news reports and confront business managers and politicians with choices and decisions

to make for example dgm shows how to use macroeconomic tools and a global framework to analyze the effects of u s tariffs on china and china s tariffs on the united states infrastructure spending speculative capital outflows from nations under stress such as argentina and turkey and speculative capital inflows into safe haven countries such as switzerland demonetization in india successfully fighting the opioid abuse problem in the united states border adjustment tax monetary policies fiscal policies marthinsen keeps readers visually engaged with the strategic use of figures tables charts and illustrative exhibits demystifying global macroeconomics emphasizes the interaction among markets and equips readers with a macroeconomic perspective that will last and be used for years if you are adopting this book for a teaching course please contact stefan giesen degruyter com to request additional instructional material

kipyego cheluget and stephen wright evaluate the legacy of kenya s first president jomo kenyatta following a nationalist uprising and brutal colonial repression kenya became independent in december 1963 with much of the agricultural land still under european settler control jomo kenyatta promoted foreign and security policies to balance kenyan african and settler interests attracting foreign investment into the new country kenyatta s programs however favored the west and established a growing need for british and american security guarantees to sustain kenya in an increasingly unstable eastern african region in this book cheluget and wright show that despite the growing pressures within kenyan civil society for diversification of policies and redistribution of economic wealth kenyatta consistently maintained pro western policies until his death in 1978 this book is split into 3 parts part i discusses the growth of kenyan nationalism the end of the colonial era and the birth of the kenyan state part ii considers the political economy and development strategies of the kenyan state part iii assesses the degree of continuity of the succeeding leadership portrayed from the jomo kenyatta presidency through this detailed analysis the authors examine kenyatta s policies and examine how successive kenyan presidents have largely maintained his policies and venerated his legacy

understanding environmental administration and law provides an engaging introductory overview of environmental policy author susan j buck explores the process through which policy is made the political environment in which it is applied and the statutory and case laws that are critical to working within the regulatory system this revised and expanded third edition adds case studies that help bring the subject to life and includes new material on the bush administration and its approach to administering environmental laws the continuing evolution of environmentalism and the changing role of environmental regulation in the united states the development and implementation of environmental agreements at the international level the impacts and implications of globalization understanding environmental administration and law provides a framework for understanding the law as a managerial tool
