a comprehensive history of america s highest award for military valor the medal of honor chronicles the creation evolution and awarding of the medal from the battlefields of the civil war to the jungles of vietnam through a wealth of illustrations and hundreds of authoritative action filled accounts of heroism in america s conflicts this wonderfully detailed and beautifully designed history book puts the medal and its recipients into the context of their times with brief and accessible introductions explaining each war and conflict for which the medal was awarded it also includes photo essays intriguing stories of the medal s sometimes quirky personalities effects on surviving recipients and the medal s preeminent place in the american story whether you re an avid reader on the history of the medal of honor or simply intrigued by its place in our history you re certain to want to flip through the pages of the medal of honor again and again

the medal of honor one of the world s most highly revered military decorations has been awarded to 3 457 men and one woman since its inception on december 21 1861 this honor is bestowed upon those individuals who demonstrate courage in a life threatening situation who put their own lives at risk for the sake of others and who display valor above and beyond the call of duty this text details the stories of the 88 african americans who have been awarded the medal of honor each entry chronicles the acts of bravery and courage that led to the serviceman s receiving this honor beginning with a brief history of the medal of honor the book is then divided into eight sections covering every major conflict from the civil war through the vietnam war an appendix of the number of medals awarded by wars and campaigns a bibliography and an index are included

the medal of honor may be america s highest military decoration but all medals of honor are not created equal the medal has in fact consisted of several distinct decorations at various times and has involved a number of competing statutes and policies that rewarded different types of heroism in this book the first comprehensive look at the medal s historical legal and policy underpinnings dwight s mears charts the

complex evolution of these developments and differences over time the medal of honor has had different qualification thresholds at different times and indeed three separate versions one for the army and two for the navy existed contemporaneously between world wars i and ii mears traces these versions back to the medal s inception during the civil war and continues through the ongoing wars in iraq and afghanistan along the way describing representative medal actions for all major conflicts and services as well as legislative and policy changes contemporary to each period he gives particular attention to retroactive army awards for the civil war world war i legislation that modernized and expanded the army s statutory award authorization the navy s grappling with both a combat and noncombat medal of honor through much of the twentieth century the vietnam era act that ended noncombat awards and largely standardized the medal of honor among all services and the perceived decline of medals of honor awarded in the ongoing global war on terror mears also explores the tradition of awards via legislative bills of relief extralegislative awards administrative routes to awards through boards of correction of military records restoration of awards previously revoked by the army in 1917 judicial review of military actions in federal court and legislative actions intended to atone for historical discrimination against ethnic minorities unprecedented in scope and depth his work is sure to be the definitive resource on america s highest military honor
