according to jane billingham men created the idea of the temptress an irresistible woman bent on bringing them down to justify the fact that they so often surrender to women especially in the bedroom in this fascinating study she examines this vision in history mythology in the bible artwork and film she traces the evolution of the temptress from an almost demonic

presence in folklore to current in your face performers like madonna the changing image of the temptress reflects the ebb and flow of men s fears and fantasies as well as women s self possession and power when men feel threatened by women s control temptresses are seen as dangerous when there is a lull in the battle of the sexes these women become objects of fantasies billingham makes the case that when men begin to accept women as equals the figure of the temptress will serve to accommodate both male and female desires

for more than 75 years catwoman has forged her own path in a clear cut world of stalwart heroes diabolical villains and damsels in distress her relentless independence across comic books television and film set her apart from the rest of the superhero world when female led comics were few and far between catwoman headlined her own series for over 20 years but her unique path had its downsides as well her existence on the periphery of the superhero world made her expendable and she was prone to lengthy absences her villainous origins also made her susceptible to sexualized and degrading depictions from her primarily male creators in ways that most conventional heroines didn t face for good and ill catwoman serves as a stark counterpart to the typical evolution of the history of women in comics and in popular culture generally her adventures have charted an inimitably varied journey of empowerment and exploitation exploring the many incarnations of this cultural icon offers a new perspective on the superhero genre and showcases the fierce resiliency that has made catwoman a fan favorite for decades

the first full scale biography of wallis simpson to be written by a woman exploring the mind of one of the most glamorous and reviled figures of the twentieth century a character who played prominently in the blockbuster film the king s speech this is the story of the american divorcee notorious for allegedly seducing a british king off his throne that woman so called by queen elizabeth the queen mother was born bessie wallis warfield in 1896 in baltimore neither beautiful nor brilliant she

endured an impoverished childhood which fostered in her a burning desire to rise above her circumstances acclaimed biographer anne sebba offers an eye opening account of one of the most talked about women of her generation it explores the obsessive nature of simpson s relationship with prince edward the suggestion that she may have had a disorder of sexual development and new evidence showing she may never have wanted to marry edward at all since her death simpson has become a symbol of female empowerment as well as a style icon but her psychology remains an enigma drawing from interviews and newly discovered letters that woman shines a light on this captivating and complex woman an object of fascination that has only grown with the years

this edited collection examines gendered representations of evil in history the arts and literature scholars often explore the relationships between gender sex and violence through theories of inequality violence against women and female victimization but what happens when women are the perpetrators of violent or harmful behavior how do we define evil what makes evil men seem different from evil women when women commit acts of violence or harmful behavior how are they represented differently from men how do perceptions of class race and age influence these representations how have these representations changed over time and why what purposes have gendered representations of evil served in culture and history what is the relationship between gender punishment of evil behavior and equality

there is no woman with a worse reputation than jezebel the ancient queen who corrupted a nation and met one of the most gruesome fates in the bible her name alone speaks of sexual decadence and promiscuity but what if this version of her story handed down to us through the ages is merely the one her enemies wanted us to believe what if jezebel far from being a conniving harlot was in fact framed in this remarkable new biography lesley hazleton shows exactly how the proud and courageous queen of israel was vilified and made into the very embodiment of wanton wickedness by her political and

religious enemies jezebel brings readers back to the source of the biblical story a rich and dramatic saga featuring evil schemes and underhanded plots war and treason false gods and falser humans and all with the fate of entire nations at stake at its center are just one woman and one man the sophisticated queen jezebel and the stark prophet elijah their epic and ultimately tragic confrontation pits tolerance against righteousness pragmatism against divine dictates and liberalism against conservatism it is in other words the original story of the unholy marriage of sex politics and religion and it ends in one of the most chillingly brutal scenes in the entire bible here at last is the real story of the rise and fall of this legendary woman a radically different portrait with startling contemporary resonance in a world mired once again in religious wars

this book by international fashion authority caroline cox is the first to explore the sensual style of the seductress charting the changes in the aesthetic of erotic femininity from marie antoinette and madame de pompadour in pre revolutionary france through the screen queens of 1930s hollywood such as jean harlow and marlene dietrich to the contemporary sex sirens of today embodied in the sexual power of madonna and jennifer lopez in chronological themed chapters caroline cox explores the art of seduction one of the only routes to female power before the 20th century by changing themselves from passive objects of male consumption to active agents of their own sexuality the courtesans of the 18th century set the scene for the divas of today

written in clear prose wayne andersen s expansive text accounts for all of modern germany s major artists the impressionists max liebermann and lovis corinth the expressionists edvard munch ernst ludwig kirchner karl schmidt rottluff erich heckel and max pechstein the post world war i george grosz otto dix and rudolf schlichter and the less classifiable max beckmann paula modersohn becker kathe kollwitz oskar kokoschka and frans marc theatre and cabaret life are treated in equal measure to the visual arts with rich coverage of ibsen s ghosts brecht s the jungle of cities and the prototype of modern filmmaking the

cabinet of dr caligari andersen assigns his challenging lines of attack to radical issues that established in germany the essential first wave of twentieth century avant garde art and culture insisting that german art is masculine and prone to violence he formulates a compelling explanation for how artists and defensive art critics convert violence into art as a pretence to mirroring society he associates lustmord sex murder imagery in german art theatre and cabaret entertainment with the sexuality of war he sees germania s primal barbarism in german painting infused with the rise of germany s nacktkultur nudist cults a desensitising nakedness replaces sublimated nudity the innocent nakedness of youth offers an opportunity for cultural renewal and a symbol of physical power

the design and manufacture of books can tell as much about a people or a culture as the ambience of its streets and the architecture of its buildings in our everyday lives books surround us even if we are among the many who never read another one after high school their very jacket design asks us to make meaning of their presence and when we open them the layout of words and stories within their covers makes us readers even before we begin to read to robert bringhurst typographer poet and writer the presence of books and the story of books in canada are preludes to understanding our culture from the tattered book of canadian poetry your moody cousin carried everywhere to the pristine hardcover book of atwood s latest work in your brainy co worker s hands book design says much about who and where we are as canadians in the surface of meaning robert bringhurst takes us on another of his walking tours this time through the bramble of english and french canadian books and book design from the mid 18th century to the present day along the way he discovers a true image trove of identity culture and history and he does what no other work on books and publications does he creates a truly national survey of canadian books by bringing canada s long history of aboriginal story telling into a context of book it is a context that goes into the depths of our prehistory far beyond the printed page the surface of meaning is a tribute to canadian books and publishing it is irresistible to readers who love books as well as to designers and others who may simply prefer to look at

them
