this book contains almost without change in content or style the annie kinhead warfield lectures delivered at princeton theological seminary in february 1974 the theme of the lectures

has been well worked over by contemporary theologians from almost every conceivable angle of christian thought yet the subject was chosen because of a a life long personal interest in it b a deep conviction about its primary significance for christian understanding and life c the disquiet and challenge that lay in the fact that though many in our day have spoken on the subject none seems to say things i find it necessary to say in order to achieve wholeness in christian thought and life

in god s intentions for man ajh a man of god finds a young couple shela and john he teaches them the meaning of life why we are here god s intentions for us the deep meaning of the ten commandments and the basic teachings of the most popular religions he explains god s entity the miracles and power we can have if we respect god s ways and laws ajh explains to the young couple the importance of understanding the words of jesus and the reason for fasting and prayer they witness the power ajh has received from god and they want to learn more the couple experience hell are baptized with water marry learn the truth about creation vs evolution and what heaven is really like they experience their first spiritual lesson and see powerful miracles with their own eyes you too can find god but you must honestly seek god respect his laws and with the help of jesus it will be much easier to understand god you must seek a spiritual path because inside we are spiritual beings

scores of pastors and leaders testify this changed my life and ministry the author considers these critical questions in the beginning before god created adam mankind what was his original purpose and plan for him what could have happened in the garden of eden if adam had not sinned and god s redemptive plan had not become necessary we know that when god created adam he received natural life but how did god plan for adam to receive divine uncreated life what is the difference between god s creating and begetting work it is evident that god has given the cross a central place in his redemptive working what is the difference between the work of the cross and the way of the cross since god in the fullness of time will put on display his divine masterpiece before all the universe how can we fully cooperate with him if we do not understand his ultimate intention
