this book examines the multifaceted nature of gender based violence gbv and the many forms it can take it explores the area of gbv

and its implications on human rights law and policy the book highlights the significance of current international debates around preventing gbv and provides context for understanding gbv as a complex structural phenomenon deeply rooted in gender inequality it addresses gbv as one of the most notable human rights violations within all societies and provides multiple global perspectives on gbv to address the common challenges and barriers to combating this issue key areas of coverage include sexual violence domestic violence intimate partner violence media misogyny online trolling discrimination sex trafficking and modern slavery preventative measures and role of men international perspectives on gender based violence is an essential resource for researchers clinicians therapists and upper level undergraduate and graduate students in developmental psychology family policy forensic psychology human rights public health criminology criminal justice and clinical social work as well as all interrelated disciplines

this comprehensive and authoritative sourcebook offers academics researchers and students an introduction to and overview of current scholarship at the intersection of marketing and feminism in the last five years there has been a resurrection of feminist voices in marketing and consumer research this mirrors a wider public interest in feminism particularly in the media as well as the academy with younger women discovering that patriarchal structures and strictures still limit women s development and life opportunities the f word is back on the agenda made high profile by campaigns such as metoo and timesup there is a noticeably renewed interest in feminist scholarship especially amongst younger scholars and significantly insightful interdisciplinary critiques of this new brand of feminism including the identification of a neoliberal feminism that urges professional women to achieve a work family balance on the back of other women s exploitation consolidating existing scholarship while exploring emerging theories and ideas which will generate further feminist research this volume will be of interest to researchers academics and students in marketing and consumption studies especially those studying or researching the complex inter relationship of feminism and marketing

gender based violence in politics is a significant and growing problem that threatens the democratic process in canada despite its prevalence little academic research has been conducted on this topic to date gender based violence in canadian politics in the metoo era raises awareness of and presents new innovative research on this timely and pressing public issue here leading experts from across canada uncover critical new insights and identify potential solutions that would help address gender based violence in politics

improve gender equality and strengthen canadian democracy using an intersectional lens chapters range in their approaches offer new concepts and measures of gender based violence in online political spaces political media coverage and cartoons campaigns municipal politics and legislatures and explore indigenous ways of knowing about gender based violence in canadian politics additionally the volume presents recommendations for decision makers policymakers anti violence advocates and the academic community on how to best address the problem of gender based violence in the political sphere

this edited book adopts a prescriptive and culturally relative narrative to understand and critique human rights within asia simultaneously it aims to understand how human rights especially such as women s rights are practised and protected by asian nations the book evaluates the realisation of eurocentric human rights by asian states in line with their domestic needs and priorities it delineates the alien nature of western standards of human rights for asia contributors focus on varied geographical contexts including south asia china and vietnam the chapters also cover the protection of women s rights in conflict zones in myanmar kashmir and afghanistan as well as regional human rights mechanisms covering a diverse region this book will be of interest to researchers and students of international human rights feminism and gender studies particularly in the asian context

increasing customer demands and innovations in digital sales require targeted management and flexible organisation of multiple sales channels multi channel marketing can be used to achieve outstanding competitive advantages this book provides a comprehensive and systematic overview of the fundamentals and management of multi channel marketing the book understands multi channel marketing as an integrative marketing system with special consideration of digital technologies multi channel marketing is with increasing frequency a key success factor for companies in competition for customers bernd wirtz textbook provides a clearly patterned incorporated and theoretically funded overview for this purpose the author excellently succeeded in illustrating in a descriptive way the considerable complexity and breadth of applicability and contemporaneously establishing a high practical relevance dr rainer hillebrand member of the supervisory board otto group 2019 member of the executive board of the otto group for strategy e commerce business intelligence 1999 2019 wirtz examines the whole path down from theoretical basic knowledge of multi channel marketing right up to the practical realization this book is a needed approach which is at the same time a reference book for specific issues the wirtz is essential for everyone who is concerned with this highly topical subject in his studies or

in practice already dr arno mahlert chief executive officer tchibo holding ag 2004 2009 member of the board of directors peek cloppenburg kg and maxingvest ag

content marketing is now a firmly established discipline in online marketing but how exactly does content marketing work what are the consequences for strategic content planning and what does valid content marketing controlling look like this book goes beyond the usual tips on how to implement content marketing by asking what the fundamental effect of content marketing is on companies customers and prospects the author not only describes the requirements and procedures for the strategic design of content marketing but also presents a comprehensive content marketing controlling framework based on the analyzed impact mechanisms with this book marketing managers receive a theoretical foundation of the discipline of content marketing as well as numerous recommendations for successful implementation in companies

this book is an exercise in political theology exploring the problem of gender based violence by focusing on violent male subjects and the issue of entitlement it addresses gender based violence in familial and military settings before engaging with a wider political context the chapters draw on sources ranging from michel foucault judith butler and Étienne balibar to rowan williams and elisabeth schüssler fiorenza entitlement is theorized and interpreted as a gender pattern predisposing subjects towards controlling behaviour and or violent actions steven ogden develops a theology of transformation stressing immanence he examines entitled subjects predisposed to violence where transformation requires a limit experience that wrenches the subject from itself the book then reflects on today s pervasive strongman politics where political rationalities foster proprietorial thinking and entitlement gender patterns and how theology is called to develop counter discourses and counter practices

covers 15 broad subject groupings social sciences generic psychology sociology social work social welfare politics government law finance accountancy taxation industries utilities business management education learning sport media communications information library sciences and tools for information professionals

this text is appropriate for advanced mba level marketing strategy courses found in marketing departments and undergraduate level marketing capstone courses in business administration departments offering a fresh and extremely current approach to marketing

strategy this superb new text emphasizes relationships presents relevant material from other fields such as finance and accounting and establishes coherent analytical frameworks through which to examine strategic options integrating coverage of research findings with observed practice and cutting edge ideas with traditional notions this text provides a sound balanced and contemporary basis for understanding and implementing all facets of marketing strategy
