authority gender and midwifery in early modern italy *contested deliveries explores attempts by church state and medical authorities to regulate and professionalize the practice of midwifery in italy from the late sixteenth to the late eighteenth century* *medical writers in this period devoted countless pages to investigating the secrets of women s sexuality and the processes of generation by the eighteenth century*

male practitioners in Britain and France were even successfully advancing careers as male midwives yet female midwives continued to manage the vast majority of all early modern births an examination of developments in Italy where male practitioners never made successful inroads into childbirth brings into focus the complex social religious and political contexts that shaped the management of reproduction in early modern Europe authority gender and midwifery in early modern Italy argues that new institutional spaces to care for pregnant women and educate midwives in Italy during the eighteenth century were not strictly medical developments but rather socio political responses both to long standing concerns about honor shame and illegitimacy and contemporary unease about population growth and productivity in so doing this book complicates our understanding of such sites situating them within a longer genealogy of institutional spaces in Italy aimed at regulating sexual morality and protecting female honor it will be of interest to scholars of the history of medicine religious history social history and early modern Italy

this book considers the production of collective identity in Venice Christian civic minded anti tyrannical which turned on distinctions drawn in various fields of representation from painting sculpture print and performance to classified correspondence dismemberment and decapitation bore a heavy burden in this regard given as indices of an arbitrary violence ascribed to Venice's long time adversary the infidel Turk the book also addresses the recuperation of violence in Venetian discourse about maintaining civic order and waging crusade finally it examines mobile populations operating in the porous limits between Venetian Dalmatia and Ottoman Bosnia and the distinctions they disrupted between Venetian and Turk until their settlement on farmland of the Venetian state this occurred in the eighteenth century with the closing of the borderlands thresholds of difference against which early modern Venetian-ness was repeatedly measured and affirmed

the private enforcement of competition law through damages actions and or injunctions before ordinary courts of justice is currently the preferred system in the United States it is playing an increasingly important role in Europe by supplementing a still predominantly public system based on disciplinary rules enforced by public authorities that do not entail compensation for victims compensation can only be achieved through private enforcement which is already viewed as an alternative to the public system this work whose origins lie in the international conference on the private enforcement of competition law held at the University of Valladolid's School of Law offers a comprehensive pluralist overview of the subject by providing transversal approaches joint assessment and information on various national experiences alongside more specific contributions that study specific matters of substantive and procedural law by covering practically all the relevant issues in this field the work also addresses the main problems of the system vis-à-vis private international law and its connection and interaction with public enforcement also available in Spanish language with the title *la aplicación privada del derecho de la competencia*
