the european security and defence policy esdp has reached an important milestone in its development this year marks its tenth anniversary this book is therefore an important contribution to the strategic debate looking ahead to where esdp could and should be ten year from now it covers the range of key issues that we need to consider in taking esdp forward into its second decade policy analysis of challenges strategy partnerships structures capabilities p 7

the five dimensions of homeland and international security project set out to understand

better the intersections between homeland and international security and the implications of these connections for preparedness for decades strategists endeavored to develop theories that helped policy makers safeguard vital national interest during cold war the post 9 11 world raises the specter of violent non state actors able to inflict mass casualties even on the most powerful country in the world hurricane katrina reminded us of the violence of nature that can also have a devastating impact on the nation this project considered whether some national security concepts can help orient homeland security thinking to promote preparedness the objective is to enhance the security of our society by being prepared to address a range of challenges the project explored the applicability of 5ds deterrence denial dissuasion defense and diplomacy the goal was not to slavishly apply traditional concepts but to seek a nugget of insight from each to help forge new effective ways to support preparedness in the immediate aftermath of 9 11 policymakers attention focused on securing the homeland however we suggest that shaping the international environment can enhance or detract from homeland security international security concepts may provide ways to influence the international environment that makes preparedness more effective at home
