an account of the way in which hollywood has achieved almost total sovereignty over the world s movies it tells of a battle which has seen hollywood establish itself as a global cultural and economic force and in the process devastate the national industries of many other countries

not since the second world war has there been such a gulf in wealth income and power between the rich and the rest of the population of canada the fight against the deficit has been largely won and economic growth has resumed but a deeply divided society is emerging on the one side are the winners the small minority who have struck it rich from corporate profits and stock markets on the other side is the majority facing meagre gains or even losses in income conflict between the classes has returned with a vengeance to become the most important issue of our time in the undeclared war james laxer cuts through the headlines and the conventional interpretations to reveal the truth about the new class war and what it means for north americans

in 1940 the world was on a knife edge the hurricane of events that marked the opening of the second world war meant that anything could happen for the aggressors there was no limit to their ambitions for their victims a new dark age beckoned over the next few months their fates would be determined

in fateful choices ian kershaw re creates the ten critical decisions taken between may 1940 when britain chose not to surrender and december 1941 when hitler decided to destroy europe s jews showing how these choices would recast the entire course of history

discusses the controversy between a declared war and an undeclared war and whether or not the president and congress has a right to send troops according to the constitution the author suggests that to this very day almost all u s laws about the appropriate constitutional control over using force face serious challenges from developments such as future weapons technology and information technology since they originated out of the eighteenth century

sequel to entangling alliance bibliographical references included in notes p 379 471

this book provides a penetrating look into franklin d roosevelt s strategy to bait adolf hitler into declaring war on america in order to defeat germany militarily thus preventing the nazis from developing the atomic bomb in late 1939 president roosevelt learned that hitler was attempting to develop an atomic bomb to use against the united states the president responded by directing his own scientific community to develop an atomic bomb and began making plans to go to war with germany however he was hampered by public opinion with 80 percent of the american people against u s involvement in another ground war in europe roosevelt seized an opportunity in 1940 when japan and nazi germany formed a military alliance to bait germany into war fdr shut down japan s war making economy prompting tokyo to attack pearl harbor a few days later hitler declared war on america using declassified documents this book shows how pearl harbor was not about japan it was about the united states going to war with germany it reveals how the u s navy s intelligence gathering system could break virtually any japanese naval code but admiral husband e kimmel the commander of the u s pacific fleet was kept in the dark about the impending pearl harbor attack by his own government

the first comprehensive english language history of the japanese imperial army based largely on japanese language sources traces the origins evolution and impact of the army as an engine of japan s regional and global ambitions and as a catalyst for the militarization of its homeland

for this new edition louis fisher has updated his arguments to include critiques of the clinton bush presidencies particularly the use of force act the iraq resolution of 2002 the preemption doctrine of the current u s administration the order authorizing military tribunals
