this book gives a detailed account of how two major austrian banks profited from their service to the nazi regime

crusades covers seven hundred years from the first crusade 1095 1102 to the fall of malta 1798 and draws together scholars working on theatres of war their home fronts and settlements from the baltic to africa and from spain to the near east and on theology law literature art numismatics and economic social political and military history routledge publishes this journal for the society for the study of the crusades and the latin east particular attention is given to the publication of historical sources in all relevant languages narrative homiletic and documentary in trustworthy editions but studies and interpretative essays are welcomed too crusades also incorporates the society s bulletin

lucid accessible and provocative and now thoroughly updated to cover recent events that have shaken the global economy globalizing capital is an indispensable account of the past 150 years of international monetary and financial history

this book explores the challenges faced by the japanese economy and the japanese banking industry following the financial crisis that emerged around the turn of the last millennium the author explores how the japanese financial crisis of the late 1990s engendered huge restructuring efforts in the banking industry which eventually led to even more sweeping changes of the economic system and long term deflation in the 2000s the discussion begins with an overview of the unconventional monetary policy launched by the bank of japan at this time while banking administrative policies maintained their strict code of governance the author describes how just as recovery seemed possible the twin disasters of the lehman shock and the great east japan earthquake buffeted the recovering economy and pushed japan again into deflation the book also looks to the very recent past with the sudden advent of abenomics in 2013 with its three pronged approach which was intended to break the deflationary mindset finally the author projects what the future of the banking industry in japan might encompass as looming demographic changes gradually threaten both the economy and the banking industry

this book honors the memory of brian hesse a scholar of near eastern archaeology a writer of alliterative and punned publication titles and an accomplished amateur photographer hesse specialized in zooarchaeology but he influenced a wider range of excavators and ancient historians with his broad interpretive reach he spent much of his career analyzing faunal materials from different countries in the middle east including iran yemen and israel and his publications covered themes particular to animal bone studies such as domestication ancient market economics as well as broader themes such as determining ethnicity in archaeology the essays in this volume reflect the breadth of his interests most chapters share an old world geographic setting focusing either on europe or the middle east the topics are diverse with the majority discussing animal bones as was hesse s specialization but some take a nonfaunal perspective

related to the problems with which hesse grappled the volume is also broad in temporal scope ranging from neolithic iran to early medieval england and it addresses theoretical matters as well as methodological innovations including taphonomy and the history of computers in zooarchaeology several of the essays are direct revisits to inspirations from or extensions of hesse s own research all the contributions reflect his intense interest in social questions about antiquity the theme of social archaeology informed much of brian hesse s thinking and it is why his work made such an impact on those working outside his own disciplinary research

the brightest ideas in personal finance for women running a household working up a career ladder or managing a business this guide provides advice for making financial decisions such as managing money and planning for retirement while dealing with the unexpected such as divorce widowhood and debt
