This resource contains 50 tests on a variety of business-related topics, including management styles, employability, work-life balance, team building, quality TQM and JIT, quality and people, companies and their industries, customer service, brands and branding, measuring performance and business finance.

Business Vocabulary in Use Elementary provides basic essential vocabulary in a business context for learners of business English. Business Vocabulary in Use Elementary follows the same successful approach as the tried and tested in use vocabulary and grammar books, with vocabulary presentation and explanation on the left-hand page and practice on the right-hand page. The book comprises a number of thematic sections, including work, time, money, products, services and skills. Units include numbers, telephoning, emails and faxes, meetings and presentations.

This best-selling course has been thoroughly revised to meet the needs of today's business and economics students. English for Business Studies, third edition, reflects recent changes in the world's business and economic environment, featuring new units including corporate social responsibility and venture capital, covering the most important areas of management, production, marketing, finance and macroeconomics. It helps students to understand and talk about key concepts in business and economics using case studies, discussions and role plays. The course helps learners to develop and defend their own viewpoints and new audio featuring authentic interviews.
