do or what you don't do you pick up the pieces of the puzzles and get it right on time on the dot and line and you take a piece of the pie what you like and dislike and show and prove the way you want it you talk about the good old times and sometimes it's about the wrong times of your life and the things you did in the past whether it be good or bad in your wildest dream life you take that and swipe your shoulders off the greater it is the badder it maybe it can be fixable that same day or a couple of days a head trouble don't last always and not for long that's how it works and what should be done and you take it and fix everything that has been broken you stand forward to that and be strong and have strength and whatever that needs to be done and whatever that it is you can't do you don't have to do it or put up with it be yourself and do all that you can do as possible and that's all you can do you cannot please everyone because it's gonna have a passing moment when you can do something or not and you will be tired of it it also includes fatal attraction breaking relationships tragedies boo thangs lover and friends blessings curses magic spells cast of spells buddhism voodoo and many more

chapter 1 the early signs of monkey branching i've learned that people will forget what you said people will forget what you did but people will never forget how you made them feel maya angelou the definition of a monkey branching relationship is similar to cheating monkey branching occurs when people are considering other options while they are still in a relationship with their partner they do this to place down a safety net and secure a backup plan in case something goes wrong in their current relationship essentially a dumper that monkey branches emotionally cheats on his or her current partner and eventually leaves for someone else 1 they start gaslighting you this is the definition of gaslighting manipulate someone by psychological means be aware when someone starts gaslighting you when someone gaslighting you they are accusing you of something they are doing they will accuse you of cheating because they themselves are cheating and monkey branching 2 they change hobbies and activities they don't want to be around you too much the things you used to do together to bond together they don't want to do it no more because they start losing interest in you and their mind is focusing on the new person that's taking your place 3 they change their appearance they start dressing better and smelling better they start going to the gym and taking care of themselves because with you they start to get complacent and become a couch potato with you they didn't care how they got their hair fixed they walked around in their dirty ass underwear or dirty black leggings or basketball shorts people have on for a long ass time they probably walked around the house with that stank ass weave and that nasty hair bonnet on they do not wash their hair then all of a sudden they start improving their appearance they start eating healthy and going on a diet the reason for this is because they lose interest in you you become boring and complacent nobody wants a boring relationship 4 you catch them on dating apps this should be a dead giveaway what you think they get on dating apps to do they're not looking for a prince in shining armor on a dating app or mr right on a dating app they're looking for somebody to stretch out their vagina walls a little further nobody really goes on dating apps looking for love they go on dating apps looking for sex and in today's time it's just like ordering pizza
