As Ernest Hemingway said of this glorious novel, all modern American literature comes from one book by Mark Twain called *Huckleberry Finn*.

The Adventures of Huckleberry Finn is a novel by Mark Twain first published in the United Kingdom in December 1884 and in the United States in February 1885. Commonly named among the great American novels, the work is among the first in major American literature to be written throughout in vernacular English. Characterized by local color regionalism, it is told in the first person by Huckleberry Finn, a friend of Tom Sawyer and narrator of two other Twain novels, *Tom Sawyer Abroad* and *Tom Sawyer Detective*. It is a direct sequel to *The Adventures of Tom Sawyer*. The book is noted for its colorful description of people and places along the Mississippi River, set in a Southern antebellum society that had ceased to exist about twenty years before the work was published. *Adventures of Huckleberry Finn* is an often scathing satire on entrenched attitudes, particularly racism. Perennially popular with readers, *Adventures of Huckleberry Finn* has also been the continued object of study by literary critics. Since its publication, it was criticized upon release because of its coarse language and became even more controversial in the 20th century because of its perceived use of racial stereotypes and because of its frequent use of the racial slur "nigger." Despite strong arguments that the protagonist and the tenor of the book are anti-racist.

Referring to *Adventures of Huckleberry Finn*, H. L. Mencken noted that his discovery of this classic American novel was the most stupendous event of my whole life. Ernest Hemingway declared that all modern American literature stems from this one book, while T. S. Eliot called Huck one of the permanent symbolic figures of fiction, not unworthy to take a place with Ulysses, Faust, Don Quixote, Don Juan, Hamlet. The novel's preeminence derives from its wonderfully imaginative re-creation of boyhood adventures along the Mississippi River, its inspired characterization, the author's remarkable ear for dialogue, and the book's understated development of serious underlying themes: natural man versus civilized society, the evils of slavery, the innate value and dignity of human beings, and other topics. Most of all, *Huckleberry Finn* is a wonderful story filled with high adventure and unforgettable characters.

Tom Sawyer is an intelligent resourceful orphan who enjoys a life of freedom that is unsheltered from life's hardships. He is an immediately attractive character who draws the reader through his adventures. Huck Finn is more superstitious and naïve but still an adventurous survivor. Together they engage with their world in this classic coming-of-age story. What makes these two books classics? Twain's characters are surprising, unforgettable, and truly human. The dialog faithfully reproduces the common speech of his day. Twain explains in this book a number of dialects are used: the Missouri Negro dialect, the extreme form of the backwoods southwestern dialect, the ordinary Pike County dialect, and four modified varieties of this last. The shadings have not been done in a haphazard fashion or by guesswork but painstakingly and with the trustworthy guidance and support of personal familiarity with these several forms of speech. The plot combines adventure, suspense, and mischief with the darker side of humanity: murder, deceit, brutality, and racial prejudice. Twain's trademark humor and observations of human nature are never far. Hemingway concludes all modern American literature comes from one book by Mark Twain called *Huckleberry Finn*.
