billy s ongoing after death communications take his sister on an unprecedented journey into the bliss and wonder of life beyond death

please note this is a companion version not the original book sample book insights 1 i was called to identify my brother s body when he died which was against regulations i was sent his stuff which included his hospital id bracelet 2 i lost my brother to heroin addiction and three days after his death a blizzard tore through long island i felt a sense of satisfaction as the snow obscured everything and let me forget about him 3 i lost my brother to heroin addiction and three days after his death a blizzard tore through long island i felt a sense of satisfaction as the snow obscured everything and let me forget about him 4 i lost my brother to heroin addiction and three days after his death a blizzard tore through long island i felt a sense of satisfaction as the snow obscured everything and let me forget about him i was euphoric

an exploration into consciousness the universe and the nature of reality draws on transdimensional physics and biology reincarnation and past life memories animal consciousness multiple identities thoughtforms soul pictures and paranormal phenomena like crop circles and poltergeists explores the riddle of personal identity and how it differs from consciousness reveals that consciousness is more than encompassing all that exists it also speaks to what has yet to manifest scientific orthodoxy views the universe as conceived of matter protons neutrons electrons down to the smallest particle quarks but when you keep digging what is beneath quarks the scientific worldview does not take into account consciousness or life itself how did

consciousness become part of the material universe is it a by product of brain chemistry or a constituent of reality or to dig deeper which is more fundamental the existence of an objective physical universe or our subjective experience of it in this investigation into consciousness the universe and the nature of reality richard grossinger offers a wide ranging foundation for reimagining the universe as based in consciousness rather than matter he presents in depth analysis of the standard scientific description of the universe revealing the holes in its theories exploring the interpenetration of matter and all reality by consciousness the author looks at reincarnation and past life memories examining famous and lesser known but verifiable accounts he then explores the nature and origin of consciousness with accompanying explorations of animal consciousness the brain as a computer multiple identities thoughtforms soul pictures and paranormal phenomena like ufos faeries and poltergeists he also examines concepts from physics that combine elements of both consciousness and matter such as collapsing waveforms and the uncertainty principle of quantum mechanics examining nonlocal and transpersonal modes of consciousness grossinger looks at the difference between consciousness and personal identity he expands this discussion with reflections on sethian cosmology using seth s own words and jane roberts s and john friedlander s interpretations he reveals that consciousness also encompasses what has yet to manifest and explains why the universe exists at all why there is something rather than nothing skewering the materialist paradigm and placing consciousness alongside mass gravity and heat as an essential component of the universe grossinger proposes that reality is a thoughtform where sentient beings collaborate to bring about a concrete realm vibrating at their own frequency

this is the story of billy ranhalt who is struggling with one of the most difficult challenges one can face he is in defense at a trial within himself as well as in society that came about in the prime of his life he is being tried for an injury or as some would say illness that can be found in every society throughout the world he is guilty before his trial his offence is almost invisible to himself as well as many others that may suffer from his offence his injuries are almost invisible to those surrounding him yet he sees them himself but does not want to see them billy ranhalt tries to overlook the impossible but must face trial the injury billy suffered is one that has become more prominent to our society in the past few years with the growing number of war veterans the character billy ranhalt is a person most people have seen or may see some day within their job their friends or among family and very well themselves the intent of this story is to open the eyes and minds of people incurring awareness and respect to those suffering as billy did from an incurable but not untreatable suffering the only cure billy finds is not what he really wanted which is carried out by those unwilling or failing to see his injury the setting takes place in modern day united states among a typical american family it has a strong emphasis on a gulf war veteran yet similarities found throughout the world in various surrounding the ending is not a good ending for billy his family or friends however an ending that foresight and forethought could have been prevented

the afterlife in popular culture heaven hell and the underworld in the american imagination gives students a fresh look at how americans view the afterlife helping readers understand how it s depicted in popular culture what happens to us when we die the book seeks to explore how that question has been answered in american popular culture it begins with five framing essays that provide historical and intellectual background on ideas about the afterlife in western culture these essays are followed by more than 100 entries each focusing on specific cultural products or authors that feature the afterlife front and center entry topics include novels film television shows plays works of nonfiction graphic novels and more all of which address some aspect of what may await us after our passing this book is unique in marrying a historical overview of the afterlife with detailed analyses of particular cultural products such as films and novels in addition it covers these topics in nonspecialist language written with a student audience in mind the book provides historical context for contemporary depictions of the afterlife addressed in the entries which deal specifically with work produced in the 20th and 21st centuries

faced with the apparent inability of her autistic son billy to learn and socialize with other children at school olga holland decided to teach him at home this book explains the author's approach focused on adapting to the demands of billy's atypical mind and respecting his vivid imaginative world while attracting and retaining his attention

a set of compelling british whodunits featuring detective inspector sloan from a cwa diamond dagger winner and most ingenious author the new yorker over the course of twenty four crime novels set in the fictional county of calleshire england and featuring the sleuthing team of shrewd detective inspector c d sloan and his less than shrewd sidekick detective constable william crosby award winning author catherine aird maintained the perfect balance between cozy village mystery and police procedural these three entertaining crime novels offer the very best in british mystery the new yorker parting breath on the campus of the university of calleshire a young woman finds a student slumped against a cloister's column covered in blood before he dies he manages to breathe the words twenty six minutes which is all sloan and crosby have to go on to solve a case that's anything but elementary some die eloquent as sloan learns he is about to become a father a suspicious death demands his attention it turns out that a murdered mistress at the girls grammar school in berebury was secretly a very wealthy woman what was an elderly chemistry teacher doing with a small fortune and who was willing to kill to get it passing strange when the village spinster a nurse who also played the organ every sunday at church is found strangled behind a fortune teller's booth calleshire's greatest detective will need more than a crystal ball to see who killed her

a set of perfectly puzzling british whodunits featuring detective inspector sloan from a cwa diamond dagger winner and most ingenious author the new yorker over the course of twenty four crime novels set in the fictional county of calleshire england and featuring the sleuthing team of shrewd detective inspector c d sloan and his less than shrewd sidekick detective constable william crosby award winning author catherine aird maintained the perfect balance between cozy village mystery and police procedural these three entertaining crime novels offer the very best in british mystery the new yorker last respects a local fisherman finds a body in the river but the coroner's report reveals the victim didn't die from drowning now calleshire's most successful pair of puzzle solving policemen must plumb the depths of this mystery and haul in a murderer harm's way when a crow drops a severed human finger sloan begins the search for the body that goes with it and the list of people who have gone missing from great rooden's farming country is lengthy with constable crosby lending a hand it's up to sloan to point the finger at the culprit a dead liberty a crime of passion a poisoned meal and a jealous woman who would kill before she would be spurned it might all fit if only the accused would talk but lucy durmast refuses to utter a single word with lucy's lips sealed sloan has no choice but to listen to his intuition

saga of a fabulous southern drag queen named billy blue flyleaf

in this c d sloan mystery by cwa diamond dagger winner catherine aird a body is found in the river but the victim didn't drown when local fisherman horace boller decided to row his boat out on the tidal backwash of the river one morning he couldn't have meant to land a catch like this what he ended up with was a body floating on the river's surface and judging by the state of the corpse the death was not a recent one the strange thing is the coroner report indicates that drowning was not the cause of death it's up to the intrepid c d sloan and his markedly less intrepid assistant constable crosby to investigate along the way calleshire's most successful pair of puzzle solving policemen will contend with a handful of additional strange deaths befuddling municipal building codes an antiquarian with interesting views on local history and a fisherman who has his own motivation for helping or perhaps hindering the investigation can c d sloan get to the bottom of this waterlogged killing

two boys are captured by confederate deserters during the civil war and held prisoner in the okefenokee swamp

the wind and snow blow so hard you can t see your hand in front of your face your heating fuel is nearly gone and so is your food how do you survive five fourteen year olds face this desperate situation on a deadly journey in antarctica it is 2083 they are contestants on a reality tv show antarctic survivor which is set up to recreate robert f scott s 1912 doomed attempt to be the first to reach the south pole but in 2083 reality tv is not just an act contestants literally relive or die during the simulations of events robert scott and his team were experienced explorers and scientists but their attempt to reach the pole proved fatal what chance does the antarctic survivor team have this action packed riveting adventure full of fascinating direct quotes from scott s journals and other accounts of the expedition is both a heart wrenching drama from the past and a disquieting glimpse into the future ages 12
