the christian science monitor s 1 best book of the year a witty informative and popular travelogue about the scandinavian countries and how they may not be as happy or as perfect as we assume the almost nearly perfect people offers up the ideal mixture of intriguing and revealing facts laura miller salon journalist michael booth has lived among the

scandinavians for more than ten years and he has grown increasingly frustrated with the rose tinted view of this part of the world offered up by the western media in this timely book he leaves his adopted home of denmark and embarks on a journey through all five of the nordic countries to discover who these curious tribes are the secrets of their success and most intriguing of all what they think of one another why are the danes so happy despite having the highest taxes do the finns really have the best education system are the icelanders as feral as they sometimes appear how are the norwegians spending their fantastic oil wealth and why do all of them hate the swedes in the almost nearly perfect people michael booth explains who the scandinavians are how they differ and why and what their quirks and foibles are and he explores why these societies have become so successful and models for the world along the way a more nuanced often darker picture emerges of a region plagued by taboos characterized by suffocating parochialism and populated by extremists of various shades they may very well be almost nearly perfect but it isn't easy being scandinavian

the almost nearly perfect people 2014 is author michael booth's exploration of the cultural belief that scandinavia is a cultural utopia examining our fascination with everything from ikea to spotify booth takes readers on a journey through the content to deconstruct our misconceptions and ground our fascination in a bit of realism do you want more free book summaries like this download our app for free at quickread.com and get access to hundreds of free book and audiobook summaries disclaimer this book summary is meant as a preview and not a replacement for the original work if you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be if you are the original author of any book on quickread and want us to remove it please contact us at hello.quickread.com

the whole world wants to learn the secrets of nordic exceptionalism why are the danes the happiest people in the world despite having the highest taxes if the finns really have the best education system how come they still think all swedish men are gay are the icelanders really feral this book deals with these questions

a weekly review of politics literature theology and art
