a specially commissioned collection of essays covering a generous sample of recent scholarship on nineteenth century psychiatry the full bibliographies guide the reader to other works in the field

this is a collection of essays on the history of psychiatry volume ii of three offers works around the institutions and society from the eighteenth century to 1917 most of the

papers in these volumes arose from a seminar series on the history of psychiatry and a one day seminar on the same theme held at the wellcome institute for the history of medicine london during the academic year 1982 83

this is a collection of essays on the history of psychiatry the final volume iii offers works around the psychiatry of the asylum in countries such as denmark british india italy britain ireland scotland france and america

detailed review of the clinical features of a complete cohort of patients admitted to the ticehurst house asylum between 1845 and 1890

general overviews of the field are a great place to start if you want to learn more about the fascinating past of psychiatry but it's important to remember that these overviews will always show the writers own points of view daniel hack tuke's chapters in the history of the insane in the british isles is one of the oldest books on the subject and has a lot to teach us this book came out in 1882 it was written by tuke who used to be the editor of the journal of mental science which was called the british journal of psychiatry in the 1800s within its pages tuke tells the story of how psychology has changed over time from its beginnings at bethlem to the founding of the york retreat he also talks about the strategy of not putting people in restraints at the lincoln and hanwell asylums tuke's conclusion sums up the change from the roughness and darkness of the old system to the sweetness and light p 495 of the new system's creed

mental health is an area of study which is often bewildering to new students and trainee practitioners this book provides a guide to the key topics and debates which shape contemporary views about mental health and illness and which govern the provision of services for people with mental health problems
