this guide to the study and use of military history is designed to foster an appreciation of the value of military history and explain its uses and the resources available for its study it is not a work to be read and lightly tossed aside but one the career soldier should read again or

use as a reference at those times during his career when necessity or leisure turns him to the contemplation of the military past

watch tom burns introduce his book essential study skills second edition watch sandra sinfield discuss one of her favourite chapters how to make the best notes praise for the first edition the effect on our students was like star dust anne schofield ruskin college oxford student feedback from study skills sessions at london metropolitan university why didn t they tell us this before this is the best bit of learning i ve ever done at school i was told to go away and get a job in a shop since doing study skills i m getting a s for my assignments i was het up frightened i just wanted to run away and hide oh i love it now when i first got here i kept thinking i would be found out i know i can do it now i never enjoyed school not at all everything s different now it s great when i first got here i thought they were all looking at me and thinking what s that old woman doing here it s my university now the eagerly awaited new edition continues to provide a truly practical guide to achieving success at university whether you are going to university straight from school a mature student or an overseas student studying in the uk for the first time this is the book that will help you better understand how you learn gain a clear idea of your strengths and areas for development organise yourself for study write and research academically pass exams and cope with stress at university now completely revised and restructured the authors use their twenty five years of hands on experience with students in university to provide genuinely useful advice key features of the new edition 12 new chapters for coverage of everything you need to know including computer skills becoming a confident writer note taking how to build your memory and the new personal development plan packed with handy tips real life examples and useful activities a brand new companion website with extensive material to support you in your quest for academic success uk sagepub com burnsandsinfield with its easy to use dip in dip out structure helpful features and lively and engaging writing style you will find essential study skills an essential companion to the challenges of studying at university tom burns is a senior lecturer in learning development at london metropolitan university sandra sinfield is academic leader in learning development at london metropolitan university

successful study is dependent on effective study skills yet many students are never taught how to study and many are anxious about their ability to develop the necessary skills required to complete their course all students can learn how to study it is not a skill reserved for the select few with a little information guidance and advice all students can discover how to study and improve the marks on their course this book is aimed at students at almost every level including college and university adult learners and students on correspondance and distance learning courses it includes preparing for taking and passing examinations how to read for study efficiently and effectively how to hypothesise theorise critique and analyse improving your mathematical and scientific skills completing projects and assignments how to get the most out

of lectures tutorials classes and seminars time management organising yourself and building motivation ways you can improve your marks quotations case studies exercises and useful tips are also included along with information about study skills websites software and online tools

the 1st 72nd reports include the 1st 72nd reports of the secretary of the board

master s thesis from the year 2016 in the subject pedagogy the teacher educational leadership language english abstract school inspection is one of the most challenging aspects in education it represents an approach of accountability in teaching and learning moreover school inspection provides policy and decision makers with accurate information about the current state of education in their respective institutions the main purpose of this study is to examine and determine the impact of school inspection on teaching and learning in dubai based private schools and to give some recommendations into how to conduct effective school inspection that would positively influence teaching and learning this research included 37 participants 2 inspectors 4 head teachers and 31 teachers from 4 private schools who follow different types of curricula from all grades of performance according to inspection reports conducted in the 2014 2015 academic year the findings show that school inspection has a significant role in school improvement especially in teaching and learning teachers acknowledge the feedback that inspectors give to them however school inspection also has a negative impact on teaching and learning for instance it forces some schools to show activities they have never done before moreover the school inspection reports and recommendations in some cases are superficial and are not related to the school context moreover they often do not show teachers how they can respond to criticism in the reality of their teaching practice nevertheless the relationship between inspectors and teachers is not that positive especially in some subjects such as arabic language and islamic studies this piece of research suggests some areas for the betterment in school inspection such as giving more importance for sse school self evaluations shortening the notice period visiting schools at different times throughout the academic year making such visits every three years as well as ensuring that school inspectors have a high degree in education and in the subject they inspect nevertheless it recommends establishing an independent school inspection system on the other hand this study suggests further research on the accountability of teaching and learning in dubai in specific subjects such as arabic and islamic studies because reality shows that the recent intervention and policy have not been as fruitful as expected
