applause books stella adler was one of the 20th century's greatest figures she is arguably the most important teacher of acting in american history over her long career both in new york and hollywood she offered her vast acting knowledge to generations of actors including marlon brando warren beatty and robert de niro the great voice finally ended in the early nineties but her decades of experience and teaching have been brilliantly caught and encapsulated by howard kissel in the twenty two lessons in this book

unlike some other reproductions of classic texts 1 we have not used ocr optical character recognition as this leads to bad quality books with introduced typos 2 in books where there are images such as portraits maps sketches etc we have endeavoured to keep the quality of these images so they represent accurately the original artefact although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

this book will be invaluable to teachers acting students and practitioners alike langman s inspired methods fed by some 45 years of teaching and practice ensure the highest outcomes for the integration of voice speech and language as a central ingredient of the actor s craft she is the most unique and brilliant master teacher in this area i have ever encountered rosalba clemente head of acting drama centre flinders university a rite de passage working with langman s book is an initiation into the practice of future theatre dr jane gilmer assistant professor of drama vpa national institute of education singapore a remarkable achievement that communicates a lifetime of teaching artistry with grace and depth and most significantly reveals the profound spiritual impulses at the heart of michael chekhov s original impulse a gift for the generations dr diane caracciolo associate professor of educational theatre adelphi university over the past decades there has been a resurgence of interest in chekhov s acting technique the original publishers of his fundamental text to the actor removed most of the author s references to rudolf steiner but recent studies acknowledge chekhov s personal interest in anthroposophy as the source of his artistic inspiration dawn langman explores the fundamentals of chekhov s psycho physical technique and the metaphysical principles on which it is based she examines this technique in relation to the specific challenges and gifts provided by the actor s constitution of body soul and spirit and in the context of the canon of great poetic and dramatic texts illuminated by steiner s insights into humanity s evolving consciousness the art of acting lays the foundation for the second and third books in her series in which langman explores rudolf steiner s art of speech and its integration with michael chekhov s methodology together these books offer a contemporary spiritually enlivened path of development for the actor in which the combined insights of steiner and chekhov lead to new possibilities for the performing arts

actors and the art of performance under exposure combines the author s two main biographical paths her professional commitment to the fields of both theatre and philosophy the art of acting on stage is analysed here not only from the theoretical perspective of a spectator but also from the perspective of the actor the author draws on her experience as both a theatre actor and a university professor whose teachings in the art of acting rely heavily on her own experience and also on her philosophical knowledge the book is unique not only in terms of its content but also in terms of its style written in a multiplicity of voices the text oscillates between philosophical reasoning and narrative forms of writing including micro narratives fables parables and inter alia by carroll hoffmann and kleist hence the book claims that a trans disciplinary dialogue between the art of acting and the art of philosophical thinking calls for an aesthetical research that questions and begins to seek alternatives to traditionally established and ingrained formats of philosophy

how did acting begin what is its history and what have the great thinkers on acting said about the art and craft of performance in this single volume survey of the history of acting jean benedetti traces the evolution of the theories of the actor s craft drawing extensively on extracts from key texts many of which are unavailable for the student today beginning with the classical conceptions of acting as rhetoric and oratory as exemplified in the writing of aristotle cicero and others the art of the actor progresses to examine ideas of acting in shakespeare s time right through to the present day along the way benedetti considers the contribution and theories of key figures such as diderot stanislavski meyerhold brecht artaud and grotowski providing a clear and concise explanation of their work illustrated by extracts and summaries of their writings some source materials appear in the volume for the first time in english the art of the actor will be

the essential history of acting for all students and actors interested in the great tradition of performance both as craft and as art

delve into the captivating world of theater with george h lewes insightful and eloquent work on actors and the art of acting this timeless book offers a profound exploration of the craft of acting and the unique qualities that distinguish great actors making it an essential read for theater enthusiasts students and practitioners george h lewes a prominent 19th century philosopher critic and theater aficionado brings his deep understanding of the performing arts to this comprehensive study on actors and the art of acting examines the techniques challenges and triumphs of acting providing a detailed analysis of what it takes to excel on stage lewes reflections are grounded in his extensive experience and keen observations of some of the most renowned actors of his time the book is divided into insightful essays that cover various aspects of the acting profession lewes discusses the importance of emotional authenticity the physicality of performance and the intellectual rigor required to interpret and inhabit a character he also explores the dynamics between actors and audiences shedding light on the symbiotic relationship that breathes life into theatrical performances one of the highlights of on actors and the art of acting is lewes vivid portraits of famous actors and actresses including contemporaries like edmund kean william charles macready and sarah siddons through these case studies he illustrates the diverse approaches and distinctive styles that contribute to their lasting legacy in the theater world on actors and the art of acting is an invaluable resource for anyone seeking to deepen their appreciation of theatrical performance or to gain insights into the art and craft of acting george h lewes thoughtful analysis and rich descriptions make this book a timeless tribute to the enduring magic of the theater

with on screen acting director edward dmytryk and actress jean porter dmytryk offer a lively dialogue between director and actress about the principles and practice of screen acting for film and television informal and anecdotal in style the book spans auditioning casting rehearsal and on set techniques and will be of interest to both aspiring and working actors and directors originally published in 1984 this reissue of dmytryk s classic acting book includes a new critical introduction by paul thompson as well as chapter lessons discussion questions and exercises

applause books

since the first edition of the actor in you was published a quarter century ago thousands of students have benefited from robert benedetti s decades of experience educating some of the united states finest actors in this seventh edition benedetti expresses the fundamental elements of acting in simple language leading readers through understanding their own bodies and voices acting technique and the basics of rehearsals and staging shows each step includes exercises to aid students in self discovery and self development as they grow from novices into practiced actors
