A CEO's Secret Weapon Confessions of a Resilient Entrepreneur Am I Still Autistic? Lessons about Life Mamma Never Taught Us Happy About Knowing what to Expect in 2009 Confessions of a Resilient Entrepreneur *Frumi Barr Frumi Rachel Barr John Hall Linda Edwards Mitchell A. Levy Frumi Rachel Barr*

prevent the grinding sands of conflict from seizing the gears of business decision making a ceo s secret weapon offers 10 results oriented chapters packed with essential techniques every ceo needs to know the book begins with the real cause purpose and reason the enterprise exists then it dives into the most troublesome issues confronting the ceo everyday and how to conquer each every leader using these methods begins with a huge advantage

this volume demonstrates the balancing act that women and men have to perform in order to integrate a business life with a family life it describes and encourages the attitudes and belief systems that grow an entrepreneur and illustrates what happens when those attitudes and belief systems come up against hard reality

john r hall iii was diagnosed at age two as low functioning autistic and slightly retarded his son john r hall iv a k a j r was diagnosed with autism at fourteen months john completely understands the world his son lives in knows perfectly well why j r does not make eye contact and recognizes why the boy shows no interest in connecting to his parents most of all john knows j r can be coaxed out of his shell into the real world because he has already proven the impossible is possible in am i still autistic beginning with the author s earliest memories and his mother s even earlier journal entries am i still autistic details life in the contented comfortable world of autism where time is meaningless focus is a state of being and outside people and noises could not possibly be more irrelevant juxtaposing the author s reality against his mother s perceptions the text traces their love hate yearning distancing mimicking instigating fear ridden always success oriented relationship from the first strains of intervention to their eventual unspoken pact to deny the past set against this landscape of mixed messages and desires the book traces the author s jarring often frightening exit strategy from his private haven into the alien world of mainstream classes unforgiving peers

incomprehensible interactions anxiety provoking expectations and inexplicable social demands it captures the author's confusion and embarrassment as he battles through elementary middle and high school delves into the instincts and life skills he sorely lacks as he balances school adolescence and his parents financial and health decline and contrasts his dynamic emergence into the business arena with his enduring inability to distinguish sexual connection from intimacy or love written in conversational language and semi-confessional spirit *am i still autistic* gives teachers and therapists a peek into the child's perception of their therapeutic techniques and efforts and offers comfort and hope to parents who do not realize their children think of themselves as just normal happy kids it digs into those all important pre-school years the ones where his therapists expectations author's path was firmly established in one direction in his therapists minds and in a completely different direction in his parents minds the book continues through the author's introduction and progress through elementary school where he learned to apply his autism's superior focus to his inculcated desire to success and his quest for connection to develop rudimentary social skills via sometimes painful sometimes exultant trial and error the text traces the author's repeated separation new school upheavals highlighting his seventh grade emotional collapse at Lincoln middle school following a triumphant graduation from Roosevelt elementary school during which his parents felt vindicated his therapists expressed proud amazement and he successfully hid those aspects that belied it all the story continues with the author's discovery of adult versus adolescent worlds and his renewed commitment to academic and personal success which he expands in yet another new school with yet another unsettling set of new faces and circumstances the book notes the new backdrop against which the author's soaring popularity plays out his mother's declining health and father's advanced age both contributing to the family's bankruptcy and his now total refutation of any earlier difficulties or diagnoses the latter chapters of the book trail the author through his slightly delayed puberty and discovery of girls his growing physical albeit not emotional or psychological detachment from his mother and his abrupt entry into the full-time adult world they illustrate his youthful manhood his swift climb through two companies while barely attending college and his ultimate life-changing life-affirming decisions to cast off his mother's expectation of law school earn a masters in business administration mba and open his own company with a partner at age twenty-two his triumph over his autistic beginnings is complete except for those areas where it is not the book's final chapters describe the author's serial often overlapping relationships that provide only superficial connection transitory comfort and stress-relieving sex the transcript ends on a quizzical note after the author finally accepts his original diagnosis reevaluates his recent and continuing issues and looks confidently to the future with a sense of rejuvenation and optimism at 40,600 words *am i still autistic* presents an illuminating candid and fascinating glimpse into the mind and spirit of the autistic child the wrenching journey out of that private world and the challenges and satisfactions of rising above those beginnings a must-read for anyone who lives or works with autistic children it offers comfort to parents insight to therapists and inspiration to those facing long-reaching choices *am i still autistic* will be a mainstay on bookshelves for decades

this book describes the lessons and insights the three authors derived from their experiences and problems with boys it contains proven discoveries about who boys really are and the reasons for the behaviors they have that drive girls crazy

this volume demonstrates the balancing act that women and men have to perform in order to integrate a business life with a family life it describes and encourages the attitudes and belief systems that grow an entrepreneur and illustrates what happens when those attitudes and belief systems come up against hard reality
