a concise and readable guide to the first and still most important case that tackled the constitutionality of prayer in public schools the decision evoked an enormous outcry from a wide spectrum of society concerned about protecting religious practice in america and curbing an activist supreme court that many perceived to be too liberal and out of control

it is often assumed that the judiciary especially the supreme court provides the best protection of our religious freedom louis fisher however argues that only on occasion does the court lead the charge for minority rights more likely it is seen pulling up the rear by contrast congress frequently acts to protect religious groups by exempting them from general laws on taxation social security military service labor and countless other statutes indeed legislative action on behalf of religious freedom is an american success story but one that renowned constitutional authority fisher argues has been poorly understood by most of us taking in the full span of american history fisher demonstrates that over the course of two centuries of american government congress has often

been in the forefront of establishing and protecting rights that have been neglected denied or unrecognized by the court and that statutory provisions far outstrip in both number and importance the court cases that have expanded religious rights in this concise and insightful book fisher presents a series of important case studies that explain how supreme court rulings on religious liberty have been challenged and countermanded by public pressures legislation and independent state action he tells how religious groups interested in securing the rights of conscientious objectors received satisfaction by taking their cases to congress not the courts how public uproar over a 1940 supreme court ruling sustaining compulsory flag salutes resulted in a court reversal and how congress intervened in a 1986 ruling upholding a military prohibition of skullcaps for jews by describing other controversies such as school prayer indian religious freedom the religious use of peyote and statutory exemptions for religious organizations fisher convincingly demonstrates that we must understand the political and not just the judicial context for the safeguards that protect religious minorities as this book shows the origin and growth of an individual s right to believe or not believe and the securing of that right has occurred almost entirely outside the courtroom religious liberty in america persuasively challenges judicial supremacists on church state issues and provides a highly readable introduction for all students and citizens concerned with their right to believe as they wish

he was as recognizable by his mellifluous voice as by his rumpled appearance everett mckinley dirksen was one of the most colorful american politicians of the twentieth century and was considered by some the most powerful man in congress now byron hulseby takes a new look at the senator from illinois to show how his interactions with the white house made him a pivotal figure in american politics during the cold war era hulseby traces dirksen s relationships with four presidents to show how the senator shifted from being a major republican critic of truman to an ardent republican supporter of lbj dirksen learned suprapartisan politics from eisenhower and became ike s most trusted confidant on capitol hill then as senate minority leader he played a key role in furthering the ambitious goals of the johnson administration hulseby analyzes the reasons for dirksen s dramatic policy reversals telling how the senator who in 1950 warned of the dangers of a leviathan executive came to embrace the power of the presidential office to provide for the social welfare contain the spread of communism and guarantee civil rights drawing on primary sources at the johnson presidential library and the dirksen congressional center hulseby shows how the senator combined legislative craftsmanship with the ability to get bills passed he links dirksen to the issues and events that shaped the 1950s and 1960s and tells how the johnson dirksen coalition moved domestic policy forward through civil rights legislation but ran aground on the insurmountable problem of vietnam hulseby also uses dirksen s career to explore change continuity and conflict in the republican party over two decades he explains how the gop evolved through internal political and ideological tensions from the taft eisenhower contest through the mccarthy era to the beginning of nixon administration revealing dirksen s role in that process by the time of dirksen s death in 1969 the vietnam war the explosion of urban riots and president nixon s preference for the politics of resentment put an end to the suprapartisan spirit hulseby s book recreates a washington milieu the likes of which may never be seen again offering a lens for viewing postwar american politics while painting the definitive political portrait of one of our most remarkable leaders

this book could not be more timely kyvig provides a rich and comprehensive history of the politics and operation of the amending process it deserves the attention of not only historians political scientists and legal scholars but also those concerned with public affairs david m o brien author of

storm center the supreme court in american politics a lively challenge to traditional views william leuchtenburg author of the supreme court reborn

a constitutional law course book providing competing perspectives on various cases covering the nature and scope of judicial review national legislative power separation of powers state power to regulate and tax protection of economic interests applicability of the bill of rights to the states criminal procedure the death penalty and other topics

examines basic ideas of constitutionalism and u s constitutional law through case summaries

both public and nonpublic school educators are aware that over the last several decades courts have played an increasingly significant role in defining school policy decisions in such areas as school desegregation prayer public school financing student rights collective bargaining and other personnel issues attest to the extent and importance of judicial influence it is necessary therefore that teachers and administrators have at least a rudimentary knowledge and understanding of school law and how it affects their day to day classroom activities this book includes a sizable body of school law that educators should be familiar with so that they are able to conduct themselves in a legally acceptable manner in today s environment it is crucial that educators consider the legal implications of their decisions and conduct this book provides introductory material for those educators interested in k 12 educational issues who have little or no knowledge of school law an update to the original book published in 1999 this second edition covers additional topics such as sexual harassment educational vouchers drug testing and students with disabilities

describes the 27 amendments to the constitution that have been ratified and discusses subjects related to proposed amendments with some 400 alphabetical cross referenced entries on key concepts figures and movements addresses reforms introduced outside of congress supreme court decisions and issues including abortion and elections includes entry bibliographies and a comprehensive bibliography reference appendices the text of the constitution and a list of cases for general readers and researchers annotation copyright by book news inc portland or

this text is written for k 12 educators and others who have little background in school law and need to know the sources of law under which educators operate it focuses on an understanding of legal rationale and principles that inform practice this text enables educators to operate in a legally defensible and educationally sound manner this new edition examines policies and litigation pertaining to church and state issues legal rights and restrictions applicable to students and teachers desegregation school finance vouchers and charter schools developments in disabilities law and harassment of students pre service and in service teachers and administrators

examines how the issue of religion in the schools has had a polarizing effect on communities and how the courts and legislatures have shaped the nature of the debate
