knightly legends of wales or the boy s mabinogion by sidney lanier presents a masterful retelling of the ancient welsh tales known as the mabinogion designed specifically for a younger audience lanier employs a lyrical prose style infused with vivid imagery and rich characterization reflecting his deep appreciation for poetic rhythm and narrative depth this work not only serves as a gateway to welsh mythology but also situates itself within the broader literary context of 19th century american romanticism where a revival of interest in folklore and medieval literature was gaining prominence sidney lanier an accomplished poet and musician was deeply influenced by the themes of heroism chivalry and the natural world his own experiences as a soldier during the civil war and a profound appreciation for southern culture permeated his writing with a particular affinity for the romantic ideals and ethical quandaries depicted in folklore lanier s dedication to crafting narratives that resonate with both youthful imagination and moral inquiry is evident throughout the work this book is highly recommended for readers of all ages especially those interested in folklore heroism and the cultural richness of wales lanier s enchanting prose not only entertains but also fosters a lasting appreciation for legendary tales and their underlying moral lessons in an accessible format

for policy makers business leaders and american citizens immigration reform is one of the defining issues of our time in turns both personal and analytical remaining factual and well argued throughout fariborz ghadar s becoming american makes the case for common sense immigration policies and practices that will not only help strengthen america s economy and role as world leader but will also help millions of prospective immigrants and their families start making more out of their lives today and for generations to come the author is an iranian immigrant who fled his homeland decades ago in search of a more stable and successful future weaving his personal story into that of the millions of immigrants facing unnecessary hurdles at the global level he demonstrates the need for our governments and leaders to make policy decisions intelligently not just based on current circumstances but with an eye toward a future brighter than our current state of dysfunction uncertainty and regrettable bigotry towards those with funny names based on our nation s undeniable history as a nation of immigrants we cannot fail to address the impact that immigration will have on our future if we want to accurately plan for a thriving diverse and better tomorrow

becoming american understand helps readers not only the mindset of america s immigrant populations but makes the case for america once more as a place for the world s hardest workers loftiest dreamers and most prosperous people

the subcommittee recommends that the department of state forthwith revise its system of checking applications for passports against available security information so as to preclude the issuance of passports to communists application forms for passports require the applicant to subscribe to an oath that he is not a communist so that the applicant may be prosecuted for perjury if he subscribes to a false oath

no journalist is better situated to reckon with the psychology of war than david finkel in the good soldiers his bestselling account from the front lines of baghdad finkel shadowed the men of a us infantry battalion as they carried out a gruelling 15 month tour that changed all of them forever now finkel follows many of those same men back home in a journey that is less about geography than of psychological terrain undertaken by people trying to heal or at the very least survive in thank you for your service finkel writes with tremendous compassion about the soldiers and about their partners and children the heartbroken wife who wonders privately whether her returned husband is going to get better or kill her and the heroic victims with the fresh taste of a gun in their mouths who will either make the journey back to sanity or to final ruin finkel takes us everywhere that the war is seeping into as it infects america to the courtrooms that are being filled with divorce and abuse cases and worse to bars and to fort riley in the mental health clinic to which the army is outsourcing its post traumatic stress disorder cases thank you for your service is an immense act of understanding shocking but always riveting unflinching but deeply humane

an apocalyptic world turned into a pitch black sea of nothingness but smuggler rosi and her crew of survivors aren t alone something hungry lurks below driving a logging truck through the romanian mountains smuggler rosi and her crew come across a radio signal that hints at impending doom as the world goes completely dark their truck becomes a vessel sailing across a sea of nothingness but they re not alone transmissions trickle in through the radio from similar isolated islands across the country from amateur radio hobbyists and police cars and customs facilities attempting to rescue survivors and find a way out the group save more lives but soon discover that something hungry lurks below and it s sending up
