joyce s book of the dark gives us such a blend of exciting intelligence and impressive erudition that it will surely become established as one of the most fascinating and readable finnegans wake studies now available margot norris james joyce literary supplement

first published in 1991 james joyce s finnegans wake a case book was published in order to celebrate the 50th anniversary of joyce s final work with 14 critical essays and a page by page outline of the novel the book includes critical approaches and interpretations in film drama and music this title will be of interest to students of literature

publisher description

an introduction to finnegans wake which aims to draw the reader quickly into the novel s depths through detailed feminist and lacanian reading of several crucial sections and themes

includes a substantial introduction concerning joyce s attitudes toward women paper edition unseen 17 95 annotation copyright by book news inc portland or

series copy these encyclopedic companions are browsable invaluable individual guides to authors and their works useful for students but written with the general reader in mind they are clear concise accessible and supply the basic cultural historical biographical and critical information so crucial to an appreciation and enjoyment of the primary works each is arranged in an a z fashion and presents and explains the terms people places and concepts encountered in the literary worlds of james joyce mark twain and virginia woolf as a keen explorer of the mundane material of everyday life james joyce ranks high in the canon of modernist writers he is arguably the most influential writer of the twentieth century and may be the most read studied and taught of all modern writers the james joyce a z is the ideal companion to joyce s life and work over 800 concise entries relating to all aspects of joyce are gathered here in one easy to use volume of impressive scope

this is the only full length study of finnegans wake to outline and catalog the immense amount of naturalistic detail from which joyce built the book the opening chapters describe the physical setting time and main characters out of which the book is constructed john gordon argues that behind this detail is an essentially autobiographical story involving joyce s history and in particular his feelings toward his father wife daughter and the older brother who died in infancy many of the author s findings are new and likely to be controversial because recent criticism has tended to the belief that what he attempts to do cannot be done this new study of finnegans wake represents a radically conservative approach and is intended to function both as a guide to the newcomer seeking a chapter by chapter plot summary and as an original contribution to joyce criticism

excellent studies an irish quarterly a handy anthology of key articles twelve in all excavated from the trove of joyce interpretation analysis and scholarship each piece marks a moment of departure subsequent studies have built on extended or reacted against but which nonetheless laid down significant parameters for approaching joyce s works irish studies review provides readers with introductions to and examples of important joyce scholarship during its middle years the 1950s and 1960s when much of the groundwork for today s joyce criticism was laid patrick a mccarthy university of miami provides readers a revealing stimulating basis for moving forward with their own interpretations while remembering the paths clearly marked out by the editor s introductions and selections already traveled by twelve canny influential earlier readers of joyce s memorable narratives john paul riquelme boston universitythis collection presents in a single volume key seminal essays in the study of james joyce representing important contributions to scholarship that have helped shape current methods of approaching joyce s works the volume reacquaints contemporary readers with the literature that forms the basis of ongoing scholarly inquiries in the field foundational essays in james joyce studies makes this trailblazing scholarship readily accessible to readers offering three essays each on joyce s four main works dubliners a portrait of the artist as a young man ulysses and finnegans wake editor michael patrick gillespie provides a contextual general introduction as well as short introductions to each section that describe the essays that follow and their original contribution to the field featuring works by robert boyle edmund l epstein s l goldberg clive hart a walton litz robert scholes thomas f staley james r thrane thomas f van laan and florence l walzl this is a volume that no serious scholar of joyce can be without michael patrick gillespie professor of english at florida international university is the author or editor of many books including the aesthetics of chaosand oscar wilde and the poetics of ambiguity

this second edition of the cambridge companion to joyce contains several revised essays reflecting increasing emphasis on joyce s politics a fresh sense of the importance of his engagement with ireland and the changes wrought by gender studies on criticism of his work this companion gathers an international team of leading scholars who shed light on joyce s work and life the contributions are informative stimulating and full of rich and accessible insights which will provoke thought and discussion in and out of the classroom the companion s reading lists and extended bibliography offer readers the necessary tools for further informed exploration of joyce studies this volume is designed primarily as a students reference work although it is organised so that it can also be read from cover to cover and will deepen and extend the enjoyment and understanding of joyce for the new reader

how is meaning in one text shaped by another does intertextuality consist of more than simple references by one text to another this work explores these questions through a comparative study of james joyce s finnegans wake and the deconstructive texts of jacques derrida with a particular emphasis on glas

examines the life and writings of james joyce including a biographical sketch detailed synopses of his works social and historical influences and more

the text of finnegans wake is not as monolithic as it might seem it grew out of a set of short vignettes sections and fragments several of these sections which james joyce confidently claimed would fuse of themselves are still recognizable in the text of finnegans wake and while they are undeniably integrated very skillfully they also function separately in this publication history dirk van hulle examines the interaction between the private composition process and the public life of joyce s work in progress from the creation of the separate sections through their publication in periodicals and as separately published sections van hulle highlights the beautifully crafted editions published by fine arts presses and joyce s encouragement of his daughter s creative talents even as his own creative process was slowing down in the 1930s all of these pre book publications were alive in both bibliographic and textual terms as joyce continually changed the texts in order to prepare the book publication of finnegans wake van hulle s book offers a fresh perspective on these texts showing that they are not just preparatory versions of finnegans wake but a work in progress in their own right
